the schoolroom of 1900 The moral tone is plain She is kind to the old blind man The exercises are still suitable and perhaps  
more helpful than some contemporary alternatives Much is left to the teacher Explanations given in the text are enough to  
get started teaching a child to read and write Counting in Roman numerals is included as a bonus in the form of lesson  
numbers Each lesson begins with vocabulary words followed by the description of a picture if any related to the lessons  
reading exercise The lesson then consists of printed text for reading and sometimes script handwriting for reading or copying
