

# MECHA MODEL GUIDE

A collection of Gundam model kits is displayed in a dynamic, action-oriented pose. In the foreground, a blue and white Gundam (likely a RX-93-2 ν Gundam) is shown in a crouching, ready stance, holding a red beam sword. Behind it, a larger black and white Gundam with red accents and large, bat-like wings (likely a ZGMF-X10A Freedom Gundam) is positioned. To the right, another blue and white Gundam is visible, also holding a beam sword. The background is a plain, light-colored surface, possibly a table or display area, with some blurred objects and a book or magazine visible in the distance.
