We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook was published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version, that commitment has not wavered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. We also recruited a team of twelve authors made up of top professionals and educators in the industry to provide the most current information on concepts and techniques.
