[A More Beautiful Question](#) Summary Station Staff, 2014-10-22 Learn How To Ask Million Dollar Questions In A Fraction Of The Time It Takes To Read The Actual Book This Is A Summary And Analysis Of The Actual Book Today only get this 1 Amazon bestseller for just 2.99 Regularly priced at 9.99 Read on your PC Mac smart phone tablet or Kindle device Warren Berger explains in the introduction that he is a journalist and therefore asks questions for his profession A few years before this book was published he wrote a series of articles which eventually became part of a book on the art and science of questioning He interviewed innovators of business designers inventors and engineers to learn how they overcame challenges and found success He did not find a single reason for their various successes but he did find that many of them were talented at asking questions For example Steve Jobs of Apple and Jeff Bezos of Amazon were known for constantly questioning everything Google actually runs on questions Yet few companies encourage questioning There are no departments focused on questions no policies for asking questions Similarly schools do not encourage questioning Many teachers recognize that being able to formulate good questions is an important skill but it is not one that is tested in your average school Too often companies and schools and even nonprofits confronting global issues tend to continue with their norm continue the work they have been doing without questioning whether their current method is the

give you the credit that with your knowledge background and experiences and with the right questions you will be able to discover solutions to your life's troubles. Look inside deeper and deeper into yourself and you may be surprised at the power and abilities you always possessed. You may even discover new parts of yourself you never knew existed. Authors Dave Edelstein A B Philosophy from Harvard University and I C Robledo M S Industrial Organizational Psychology from University of Oklahoma combine their expertise in philosophy psychology and self development to provide you with questions which were designed to help you help yourself. The authors believe there is enormous potential in seeking the answers within rather than always seeking them from sources outside of yourself. Here is a small sample of the Questions you will find inside:

Question 9 Are you afraid of being alone with yourself Or do you enjoy it?

Question 57 What is love How do you show it?

Question 112 What is the one thing you know for sure?

Question 182 Are the small moments in life worth more than we give them credit for?

Question 263 What amount of money would it take for you to consider forsaking your deeply held values?

Question 295 Are you in the process of fulfilling your dreams or is there an obstacle in your path?

Question 359 Have you ever felt personally touched by a spirit or higher power Are you ready to find meaningful solutions to your life's greatest troubles with Question Yourself?

Question Yourself will help you to begin searching for answers to some of life's toughest challenging and thought provoking questions. Questioning is a skill and art that we must all develop but this book rather than answering your questions actually provides questions for every day of the new year that you might have never even thought to ask on your own. These will offer you some of the best questions to figure out this life all on your own. No book can provide you a definitive answer to these difficult questions but perhaps you can figure it all out for yourself with a bit of thought and reflection. Perhaps you can change your life by truly digging deep and searching for your own responses with this awesome list of wonderful questions to use as a prompt. This book is ideal for high school and college students, gifted and talented students, standardized test takers, teachers, educators, adult learners, independent learners and self starters, school administrators, managers and leaders and parents.
