The Astounding Broccoli Boy Frank Cottrell Boyce, 2016 Rory Rooney likes to be prepared for all eventualities His favourite book is *Don't Be Scared Be Prepared* and he has memorized every page of it He could even survive a hippo attack He knows that just because something is unlikely doesn't mean it won't ever happen But Rory isn't prepared when he suddenly and inexplicably turns green Stuck in an isolation ward in a hospital far from home with two other remarkably green children Rory is confused by his new condition as the medics seem to be But what if it's not in their genes or a virus or something they ate What if turning green actually means you've turned into a superhero Rory can't wait to make it past hospital security and discover exactly what his superpower might be

Defining Art William E. Bray, 2007-05 In today's murky attempts to define art we see countless articles entitled *Is this Art or What is Art* Overlooked and forgotten is the definition of art simply provided by perhaps the founder of Western Civilization Socrates It is clearly stated in one of Plato's earliest Dialogues *ION* In it Socrates playfully questions an arrogant young actor who claims all the credit for his achievement citing his skills Socrates instead suggests that he is chosen as a channel one of a chain of divine messengers to deliver with force the message which came first to and through the poet Homer the first in the chain The listener audience is the last in the chain who becomes a messenger himself to take the message out into the world Socrates is defining art as a process whose origins and ultimate purpose is divine It is often overlooked by actors who are urged to read Aristotle's *The Poetics* a how to manual for wannabe actors for its oversimplified step 1 2 3 which sometimes leaves the field of drama saturated with uninspired and uninspiring aspirants In the end it provides an empty set of exercises side stepping the real nature of art which is essentially mysterious and religious Author William E Bray provides for the reader an introduction to the Socratic definition of art a simple test for determining what art is an introduction to and adaptation of Plato's Dialogue *ION* and 12 of his reviews of movies which provide food for the soul He brings *ION* often neglected and ignored up to date
