Tourism as a Pathway to Hope and Happiness Tej Vir Singh, Richard Butler, David A. Fennell, 2022-12-05 Tourism is often viewed as a phenomenon that brings out the worst in human nature Self interest overuse of resources injustice and cultural erosion are but a few examples This book explores the contrasting view that tourism can be a pathway to hope and happiness The chapters address areas including wellbeing positive psychology hopeful tourism mindfulness peace responsible tourism and spirituality The volume examines the role of tourism in preserving natural wonders and architectural masterpieces bringing out the best in tourists and locals and adding economic value if planned developed and managed sustainably It will be a useful resource for students and researchers in tourism psychology and philosophy

Negotiating Hospitality Emily Höckert, 2018-05-11 How do hosts and guests welcome each other in

responsible encounters This book addresses the question in a longitudinal ethnographic study on tourism development in the coffee cultivating communities in Nicaragua The research follows the trail of development practitioners and researchers who travel with a desire to help teach and study the local hosts On a broader level it is a journey exploring how the conditions of hospitality become negotiated between these actors The theoretical approach bases itself on the ethical subjectivity as responsibility and receptivity towards the other The ideas put forward in the book suggest that hospitality responsibility and participation all require a readiness to interrupt one's own ways of doing knowing and being This book provides a conceptual tool to facilitate reflection on alternative ways of doing togetherness and will be of interest to students and researchers of hospitality tourism development studies cultural studies and anthropology **The Journal of Tourism Studies**, 1999

Ecotourism David A. Fennell, 2025-08-01 The new sixth edition of *Ecotourism* focuses on an array of economic social and ecological inconsistencies that continue to plague ecotourism in theory and practice and examines the sector in reference to other related forms of tourism impacts conservation sustainability education and interpretation policy and governance and the ethical imperative of ecotourism as these apply to the world's greenest form of tourism Building on the success of prior editions the text has been revised throughout to incorporate recent research including ecotourism taking place in underrepresented world regions It includes new case studies on important themes in research and practice as well as learning objectives in each chapter David A Fennell provides an authoritative and comprehensive review of the most important issues including climate change and UN Sustainable Development Goals *Ecotourism* continues to be embraced as the antithesis of mass tourism because of its promise of achieving sustainability through conservation mindedness community development education and learning and the promotion of nature based activities that are sensitive to both ecological and social systems The book debates to what extent this promise has been realised An essential reference for those interested in ecotourism the book is accessible to students but retains the depth required for use by researchers and practitioners in the field This book will be of interest to students across a range of disciplines including geography economics business ethics biology and environmental studies Tourism and Ethnodevelopment Ismar Borges de Lima, Victor T. King, 2017-09-13 *Ethnodevelopment* is a well established concept in the field of development studies Despite its relevance to tourism initiatives and processes in the Global South it continues to be an underutilised concept in the field This book bridges this gap presenting an original conceptual framework to study the relationship between tourism and ethnodevelopment It focuses on the processes of inclusion empowerment self expression and self determination to explore the effects of tourism initiatives on the identities cultural resilience livelihoods and economic opportunities of ethnic minority communities Chapters explore a range of concepts and issues such as gender authenticity indigenous knowledge tradition the commodification of culture community based tourism local entrepreneurship cultural heritage and tourism and the environment Drawing on rich primary research conducted across South East Asia and South and Central America the book offers detailed evaluations of the

successes and failures of various tourism policies and practices This book makes a valuable contribution for students scholars practitioners and policy makers alike interested in tourism development studies geography and anthropology *Public Memory, Race, and Heritage Tourism of Early America* Cathy Rex, Shevaun E. Watson, 2021-10-20 This book addresses the interconnected issues of public memory race and heritage tourism exploring the ways in which historical tourism shapes collective understandings of America's earliest engagements with race It includes contributions from a diverse group of humanities scholars including early Americanists and scholars from communication English museum studies historic preservation art and architecture Native American studies and history Through eight chapters the collection offers varied perspectives and original analyses of memory making and re making through travel to early American sites bringing needed attention to the considerable role that tourism plays in producing and possibly unsettling racialized memories about America's past The book is an interdisciplinary effort that analyses lesser known sites of historical and racial significance throughout North America and the Caribbean up to about 1830 to unpack the relationship between leisure travel processes of collective remembering or forgetting and the connections of tourist sites to colonialism slavery genocide and oppression *Public Memory Race and Heritage Tourism of Early America* provides a deconstruction of the touristic experience with racism slavery and the Indigenous experience in America that will appeal to students and academics in the social sciences and humanities The introductory chapter and chapter 3 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
