**Intermediate Accounting IFRS** Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2020-07-08 Essential knowledge of International Financial Reporting Standards for students of global accounting. This important work provides the tools global accounting students need to understand international financial reporting standards (IFRS) and how they are applied in practice. This text emphasizes fair value, proper accounting for financial instruments, and new developments in international accounting. By presenting IFRS in light of current accounting practice, this book helps students gain practical knowledge of the topic that they can apply as they advance into their global accounting careers. With this revised and updated Fourth Edition, students will develop a firm conceptual understanding of IFRS as well as the ability to integrate their learning through practical exercises. Throughout this text, Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, discussing the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting IFRS includes proven pedagogical tools designed to help students learn more effectively. Comprehensively covers the latest International Financial Reporting Standards and how they are applied in practice. Takes a comparative approach to help students understand the differences between IFRS, U.S. GAAP, and other important standards. Emphasizes practical application of knowledge with end-of-chapter Review and Practice sections. Provides authoritative references and citations to ensure content reliability and provide opportunities for further study. Includes access to video walkthroughs, interactive content, and digital resources to support student engagement and ensure positive learning outcomes. As IFRS gains broad

acceptance around the world students of global accounting will need to be intimately familiar with these standards and prepared to keep up with the rapid changes in the international environment Intermediate Accounting IFRS answers to these pressing needs making it the clear choice for accounting courses at the intermediate level *Business Math Using Calculators* Sharon Burton,Nelda Shelton,1990 This book should be of interest to students taking professional examinations in business studies
