**Special Admission** Kirsten Hextrum, 2021-08-13 Honorable Mention 2022 Society of Professors of Education Outstanding Book Award Special Admission contradicts the national belief that college sports provide upward mobility opportunities Kirsten Hextrum documents how white middle class youth become overrepresented on college teams Her institutional ethnography of one elite athletic and academic institution includes over 100 hours of interviews with college rowers and track field athletes She charts the historic and contemporary relationships between colleges athletics and white middle class communities that ensure white suburban youth are advantaged in special athletic admissions Suburban youth start ahead in college admissions because athletic merit the competencies desired by university recruiters requires access to vast familial communal and economic resources all of which are concentrated in their neighborhoods Their advantages increase as youth parents and coaches strategically invest in and engineer novel opportunities to maintain their race and class status Thus college sports allow white middle class athletes to accelerate their racial and economic advantages through admission to elite universities *Trojans 1972: an Immortal Team of Mortal Men* Bill Block, 2009-07-20 Bill Blocks Trojans 1972 An Immortal Team of Mortal Men captures the story of 47 USC football players beyond their glory days on campus and into their everyday lives as men The 1972 Trojans are considered one of the greatest teams in the history of college football They defeated Ohio State 42 17 in the 1973 Rose Bowl to complete an undefeated 12 0 season and were crowned national champions Each chapter is a mini biography told through the eyes of each player Each and every player from that 72 team whether as powerful as fullback Sam Bam Cunningham as intellectually gifted as defensive back Marvin Cobb or as massive as offensive lineman Pete Adams eventually became one of us A mortal Youll find humor youll find sorrow and youll find football Most of all youll find lessons about being mortal **Sports and the Law** Paul C. Weiler, Gary R. Roberts, 2004 Covers various aspects of professional sports including the unique office of the league commissioner the many contract antitrust and labor law dimensions of the player labor market and the peculiar institution of the player agent in a unionized industry Looks at the system of college athletics governed by the NCAA and how law impacts individual sports like golf tennis boxing and the motor sports as well as the structure and operation of international Olympic sports Also focuses on tort and criminal law issues arising out of the personal injuries caused by sports *Decisions and Orders of the National Labor Relations Board* United States. National Labor Relations Board, 2015 **Codes and Cheats Winter 2009** , 2008-12-09 Containing more than 18 000 codes cheats and unlockables for over 1 500 of the most popular current and next gen games on the biggest platforms including PS3 Wii and Xbox 360 this guide offers gamers invincibility all items and hidden content are at their fingertips *The Ethics of Coaching Sports* Robert L. Simon, 2013-01-15 The Ethics of Coaching Sports features invited contributions written by prominent scholars examining a broad range of normative or evaluative issues that arise from the role of the coach in competitive sports The collection is accessible and comprehensive including discussion of

concrete issues in coaching such as the distribution of playing time bullying the implications of recent events surrounding the Pennsylvania State scandal and Title IX and gender equity The contributing authors also explore the larger ethical considerations of the role of the coach as educator leader and moral role model special considerations when coaching children and an examination of the failures of coaches to meet appropriate standards when they do not respect their players and their programs Each contributor presents the main arguments and positions relevant to their chosen topic and with the ground set the authors then seek to advance the reader s theoretical and philosophical understanding of coaching Robert L. Simon s introductions to each of the book s four parts help to summarize the main theses of the contributors chapters and examine differences between how each author approaches their chosen subject Study questions are also provided for each chapter making *The Ethics of Coaching Sports* the perfect companion for classes on sports ethics and coaching
