Vs Roblox Building:

Teaching Innovation in Architecture and Building Engineering David Bienvenido-Huertas, María Luisa de la Hoz-Torres, Antonio Jesús Aguilar Aguilera, 2024-06-19 This book presents contributions on teaching innovation in university architecture and building engineering studies. The authors explain how the construction sector demands that future architects and building engineers have the knowledge and skills that allow them to meet the decarbonization objectives established by international organizations and that this causes the level of knowledge to be higher. The contributors further discuss new technologies and the internationalization of studies presenting new challenges university studies must face. This heterogeneity is represented in the chapters that make up this book developed by researchers from different countries. The book is divided into three blocks: i) Active learning methodologies, ii) Innovative methodologies applied to learning process and iii) Traditional vs Advanced Techniques. The chapters of the book represent an advance in the current knowledge of teaching innovation techniques in university architecture and building engineering studies.

Get in the Game Jonathan Stringfield, 2022-07-26 An essential guide for marketers and execs wishing to integrate their brands with modern games and esports. In *Get in the Game: How to Level Up Your Business with Gaming, Esports and Emerging Technologies*, decorated gaming and social media research and marketing executive Jonathan Stringfield delivers a roadmap to understanding and navigating marketing and business integrations into the gaming ecosystem. Who plays games and why, how modern games are created and oriented around the world of esports and where brands can get involved with modern games. This book explains the breadth and depth of the gaming audience, describing the rapidly changing demographics of modern games and the various motivations gamers have for playing games. It also unpacks the history of gaming and how it has impacted the creative processes and output from the industry. Finally, it offers a practical guide for brands wishing to integrate themselves into new gaming environments with an emphasis on maximizing success for marketers, developers, content creators and fans. *Get in the Game* provides a thorough introduction to why marketers and executives must pay closer attention to gaming as well as existing roadblocks to understanding the gaming industry. Comprehensive explorations of the psychology and motivations of gaming and implications towards messaging and brand safety. Practical discussions of gaming as a competitive platform or streaming viewing experience. In-depth examinations of gaming ad placements, deep marketing integrations between companies and games, and future directions for the industry and how it relates to the emergence of the metaverse. Perfect for marketing strategists, brand managers and Chief Marketing Officers. *Get in the Game* will also earn a place in the libraries of executives seeking to connect with the misunderstood yet largest segment in consumer entertainment.
