Romney McKay Coppins, 2024-09-24 NEW YORK TIMES BESTSELLER In this illuminating and scoop rich biography the tell all tales rush forth Los Angeles Times offering a penetrating analysis of the ongoing Republican civil war through the eyes of one of its last embattled centrists Publishers Weekly Few figures in American politics have seen more and said less than Mitt Romney An outspoken dissident in Donald Trump's GOP he has made headlines in recent years for standing alone against the forces he believes are poisoning the party he once led Romney was the first senator in history to vote to remove from office a president of his own party When that president's supporters went on to storm the US Capitol Romney delivered a thundering speech from the Senate floor accusing his fellow Republicans of stoking insurrection Despite these moments of public courage Romney has shared very little about what he's witnessed behind the scenes over his three decades in politics in GOP cloakrooms and caucus lunches in his private meetings

with Donald Trump and his family in his dealings with John McCain George W Bush Barack Obama Joe Biden Mitch McConnell Joe Manchin and Kyrsten Sinema Now Romney provides a window to his most private thoughts Based on dozens of interviews with Romney his family and his inner circle as well as hundreds of pages of his personal journals and private emails this in depth portrait by award winning journalist McKay Coppins shows a public servant authentically wrestling with the choices he has made over his career In lively revelatory detail the book traces Romney s early life and rise through the ranks of a fast transforming Republican Party and exposes how a trail of seemingly small compromises by political leaders has led to a crisis in democracy A rare feat in modern day political reporting The New Yorker Romney A Reckoning is a redemptive story about a complex politician who summoned his moral courage just as fear and divisiveness were overtaking American life

The Earth Mother and the Assault of Capitalism Julian E. Kunnie, 2025-12-02 With a looming climate collapse and chemical geo engineering poisoning of the Earth s air and water humanity faces a battery of lethal crises undermined food production ecocide accelerated desertification and drought industrialist pillaging of the Earth through oil drilling and mining and many other such assaults on life itself Ever growing crises of unsustainability in the 21st century point to the inevitable collapse of capitalism This book investigates these crises and proposes a reclamation of Indigenous languages as part of cultural educational and societal decolonization By restoring Indigenous ancestral cultural wisdom and practice toward paths of wholeness and sustainability society can recover and live simply so that all forms of life may survive
