Lyft Tricks Promo:

You've Been Played Adrian Hon, 2022-09-20 How games are being harnessed as instruments of exploitation and what we can do about it Warehouse workers pack boxes while a virtual dragon races across their screen If they beat their colleagues they get an award If not they can be fired Uber presents exhausted drivers with challenges to keep them driving China scores its citizens so they behave well and games with in app purchases use achievements to empty your wallet Points badges and leaderboards are creeping into every aspect of modern life In You've Been Played game designer Adrian Hon delivers a blistering takedown of how corporations schools and governments use games and gamification as tools for profit and coercion These are games that we often have no choice but to play where losing has heavy penalties You've Been Played is a scathing indictment of a tech driven world that wants to convince us that misery is fun and a call to arms for anyone who hopes to preserve their dignity and autonomy

Drive Jonathan Rigsby, 2024-05-14 One father 3 years and thousands of rides Poverty By America meets Maid in this dad's darkly humorous yet humanizing story of working long hours and late nights behind the wheel as a rideshare driver Jonathan Rigsby spends his days as a crime intelligence analyst and his nights as an Uber driver Reeling from his divorce and struggling to pay rent while caring for his autistic son Rigsby became a rideshare driver joining the millions of people with a side hustle just to make ends meet With a compelling blend of honesty and sardonic wit Rigsby invites readers into his car to reveal the harsh reality of gig work for so many grueling hours living paycheck to paycheck and hoping to avoid disaster long enough to prepare for the next bill Along the way he showcases the humor and humanity in the private moments of vulnerability that happen when people are left alone with a stranger from the amusing tales of drunk college students to a passenger getting sick on the dashboard a mother expressing distress about her son's addiction and a violent encounter on the job Unflinching and raw Drive exposes an ugly truth that hides in the gaudy background of the American dream you can do everything right and still fail Buckle up

Te la han jugado Adrian Hon, 2024-09-19 Los trabajadores de un almacén preparan cajas mientras un dragón virtual corretea por sus pantallas Si vencen a sus compañeros obtienen un premio Si no pueden ser despedidos Uber plantea retos a sus chóferes agotados para que sigan conduciendo China apunta a sus ciudadanos para que se comporten correctamente y las microtransacciones de los videojuegos se aprovechan de los logros para vaciar nuestros bolsillos Los puntos medallas y clasificaciones se están introduciendo en cada resquicio de la vida moderna En Te la han jugado el diseñador de videojuegos Adrian Hon plantea una crítica demoledora de la forma en que las empresas las escuelas y los gobiernos usan los juegos y la gamificación como herramientas para ampliar su beneficio y extender su capacidad coercitiva Se trata de juegos en los que a menudo no podemos negarnos a participar y en los que perder conlleva graves castigos Te la han jugado es una cida invectiva contra un mundo dirigido por la tecnología que pretende convencernos de que la miseria es divertida una llamada a las armas para cualquiera que aspire a mantener su dignidad y autonomía

The Context Marketing Revolution Mathew

Sweezy,2020-03-24 In a world of limitless media noise how can businesses break through to customers Context We are in the midst of a massive media revolution For the first time in history ordinary people around the world have the ability to create distribute and consume content instantly from anywhere using connected devices The massive increase in media noise created by these consumers and devices creates an entirely new situation that makes conventional marketing models obsolete And yet countless companies and marketing organizations continue to rely on traditional models assuming that their campaigns will sway customers They couldn't be more wrong In this provocative and practical book Salesforce marketing maven Mathew Sweezy boldly outlines this new infinite media environment and poses a profound question In a transformed world where customers shape their own experience what is the key to breaking through and motivating them to buy It is context the close linkage between an individual's immediate desires and the experiences a brand creates to fulfill them Drawing on new research and new insights into current consumer psychology Sweezy defines the five key elements of context Customer experiences must be Available Helping people achieve the value they seek in the moment Permissioned Giving people what they've asked for on their terms Personal Going beyond how personal it is to how personally you can deliver it Authentic Combining voice empathy and brand congruence simultaneously Purposeful Creating a deeper connection to the brand beyond the product Sweezy uses vivid examples to highlight a new marketing model used by high performing brands big and small The final part of the book shifts to execution providing a new rule book for context based marketing The Context Marketing Revolution will change forever how you think about the purpose and practice of marketing
