*Live Work Work Work Die* Corey Pein,2018-04-24 In the spirit of George Orwell's *Down and Out in Paris and London* Corey Pein takes us on a gonzo misadventure through the underbelly of Silicon Valley Joe Hagan bestselling author of *Sticky Fingers* At the height of the startup boom journalist Corey Pein set out for Silicon Valley with little more than a smartphone and his wits His goal to learn how such an overhyped industry could possibly sustain itself as long as it has But to truly understand the delirious reality of the tech entrepreneurs he knew he would have to inhabit that perspective he would have to become an

entrepreneur himself Thus Pein begins his journey skulking through gimmicky tech conferences pitching his over the top business ideas to investors and rooming with a succession of naive upstart programmers whose entire lives are managed by their employers who work endlessly and obediently never thinking to question their place in the system In showing us this frantic world Pein challenges the positive feel good self image that the tech tycoons have crafted as nerdy and benevolent creators of wealth and opportunity revealing their self justifying views and their insidious visions for the future Vivid and incisive *Live Work Work Work Die* is a troubling portrait of a self obsessed industry bent on imposing its disturbing visions on the rest of us Like Jon Ronson Pein combines serious journalism with humor and his own antics for an entertaining and caustic mix If Silicon Valley and Black Mirror had a book baby it would be *Live Work Work Work Die* Booklist Impressive Reminiscent of Hunter S Thompson s *Hell s Angels* Alternately amusing and horrifying Salon
