struggling with Alzheimer's His father's out of the picture and he has no realistic means of finding care for her beyond the harried home nurse who's already on the brink of quitting but even though he's sure his mother won't even remember his efforts he's still committed to her Still he doesn't have much to do outside life's boring routines except pressing Play and Rewind to try and identify the moments when it all went wrong And maybe watching the random vacation video that some customer left at the store to be copied Then change A friend from high school returns to the neighborhood after a mysterious absence and a disreputable man from the neighborhood takes over the store He may or may not be mobbed up Who can say really It's not the sort of thing you ask your new boss And he finds out his father may be closer than he thinks In short order Wes's life's starting to look different Whether that's a good or a bad thing is tough to say the store's new owner wants to make easy money selling bootleg videos out front and we all know the FBI frowns on that sort of thing the high school friend may be too eager to make amends and to hide the secrets of her own past mistakes but still it's something Now Wes has to navigate feelings far more frightening than stasis and find a way forward despite everything pulling him back Play Rewind is a lovely literary look at a place near and dear to our hearts one we all might want to visit if we had a time machine the video store And it sends us to another vanished place peaceful and innocent pre 9/11 New York More importantly it's a great glimpse into lives we can all relate to people struggling against impossible odds unsure if anything will ever change It's a fantastic debut novel from an amazing new author John Vurro I loved it so much that after I read it I wanted to rewind back to the beginning and read it again Vurro's is a bold and brilliant new literary voice This beautiful novel moved me deeply Alena Graedon author of *The Word Exchange* **Popular Photography**, 1968 *The Publishers Weekly*, 1981
