Pet Nation Mark Cushing, 2020-09-08 An inside look at the forces behind how our pets become treasured members of the family In the last 20 years pets have gone from the backyard to sleeping on our beds then showing up in every corner of America *Pet Nation* tells the story of this seismic shift and the economic media legal political and social dramas springing from this cultural transformation Since 1998 the pet population in the U S has almost doubled about two thirds of the country now owns a pet No longer left to wander the neighborhood dogs and cats eat special food get individualized medical attention and even fly in the cabin As founder of the Animal Policy Group Mark Cushing provides an inside look at the rise of *Pet Nation* tracking the myriad ways pets are acquired a Canine Freedom Train runs south to north reporting on pet rights legislation and the unseen problems that come with elevating their status pet healthcare revealing the truth and myths about large scale breeders and discovering that despite what many organizations would have us believe there is a shortage of dogs Insightful surprising and full of great stories *Pet Nation* opens our eyes to the big changes happening in front of us right now It shows us not only what our love of animals says about pets it shows us what it says

about ourselves **The Second Coming** Franco Berardi, 2019-07-12 We have entered the gateway to the apocalypse This theological concept is the best metaphor to describe the world in which we are already living Chaos is all around us political folly economical delirium ecological catastrophe intellectual cynicism technological simulation of life This is what Franco Bifo Berardi suggests in this wry dark disconcerting but also brilliant and invigorating journey through the main events that we have witnessed in recent years One century after the Communist revolution the very idea that the world could be changed for the better seems dead once and for all Every time that a new change occurs nowadays it seems to be a change for the worse But the fact that nothing can save us any more shouldn't be seen as a form of fatality or a reason for surrender On the contrary if our world is dead then the space is open for another to appear a world where apocalypse can shake us out of our zombie like contemporary existence The second coming of Communism will have nothing to do with 1917 Apocalypse has to be conceived of as a metaphor and Communism is a metaphor too the metaphor of the possible deployment of the potentials of the mind
