Aji, Yuni Lestari, Lillyana Mulya, Galih W. Pradana, Riyadi Riyadi, Azmil Mohd Tayeb, Lina Purwaning Hartanti, Hujuala Rika Ayu, 2023-04-18 This is an open access book. This joint conference features four international conferences: International Conference on Education Innovation ICEI, International Conference on Cultural Studies and Applied Linguistics ICCSAL, International Conference on Research and Academic Community Services ICRACOS, and International Conference of Social Science and Law ICSSL. It encourages dissemination of ideas in arts and humanities and provides a forum for intellectuals from all over the world to discuss and present their research findings on the research areas. This conference was held in Surabaya, East Java, Indonesia, on September 10, 2022, and September 11, 2022. We are inviting academics, researchers, and practitioners to submit research-based papers or theoretical papers that address any topics within the broad areas of Arts and Humanities. *K-12 Education: Concepts, Methodologies, Tools, and Applications* Management Association, Information Resources, 2013-09-30

Primary and Secondary education is a formative time for young students. Lessons learned before the rigors of higher education help to inform learners' future successes, and the increasing prevalence of learning tools and technologies can both help and hinder students in their endeavors. *K-12 Education: Concepts, Methodologies, Tools, and Applications* investigates the latest advances in online and mobile learning, as well as pedagogies and ontologies influenced by current developments in information and communication technologies, enabling teachers, students, and administrators to make the most of their educational experience. This multivolume work presents all stakeholders in K-12 education with the tools necessary to facilitate the next generation of student-teacher interaction. **Research Perspectives and Best Practices in Educational Technology Integration**

Keengwe, Jared, 2013-02-28. With advancements in technology continuing to influence all areas of society, students in current classrooms have a different understanding and perspective of learning than the educational system has been designed to teach. *Research Perspectives and Best Practices in Educational Technology Integration* highlights the emerging digital age, its complex transformation of the current educational system, and the integration of educational technologies into teaching strategies. This book offers best practices in the process of incorporating learning technologies into instruction and is an essential resource for academicians, professionals, educational researchers in education, and educational-related fields.
