Orphan Justice How To Care For Orphans Beyond Adopting:

Orphan Justice Johnny Carr, Laura Captari, 2013-03-01 Christians are clearly called to care for orphans a group so close to the heart of Jesus In reality most of the 153 million orphaned and vulnerable children in the world do not need to be adopted and not everyone needs to become an adoptive parent However there are other very important ways to help beyond adoption Indeed caring for orphaned and vulnerable children requires us to care about related issues from child trafficking and HIV AIDS to racism and poverty Too often we only discuss or theologize the issues relegating the responsibility to governments No one can do everything but everyone can do something Based on his own personal journey toward pure religion Johnny Carr moves readers from talking about global orphan care to actually doing something about it in *Orphan Justice* Combining biblical truth with the latest research this inspiring book investigates the orphan care and adoption movement in the U S today examines new data on the needs of orphaned and vulnerable children connects liberal issues together as critical aspects of orphan care discovers the role of the church worldwide in meeting these needs develops a tangible sustainable action plan using worldwide partnerships fleshes out the why what and how of global orphan care offers practical steps to getting involved and making a difference

KnowOrphans Rick Morton, 2014-02-03 The global orphan crisis is complex The church's response should be comprehensive but is it In this provocative follow up to *Orphanology* author Rick Morton provides the framework for families and churches to have a gospel centered response to the growing global issue of orphan care *KnowOrphans* addresses three distinct areas associated with global orphanology Delving deeper into the criticisms of the movement the need for reform and what families can expect author Rick Morton helps shape realistic perceptions of the challenges and rewards adoptive parents face in transnational adoptions Through illuminating the work internationally adoptive families can expect *KnowOrphans* offers solutions for the church in remedying the ills and deficiencies surrounding the church's role in equipping and supporting families before during and after the adoption process Knowing that the church's response and attitude should be one that goes beyond adoption *KnowOrphans* also addresses the complexities of how Christians are to respond ethically compassionately and comprehensively to the biblical call to care for orphans *KnowOrphans* is the next step in conversation as this evangelically based movement of orphan care matures and begins to live out James 1:27 globally

Adopting for God Soojin Chung, 2021-12-14 *Adopting for God* is the first historical study to focus on the role of adoption evangelists in the transnational adoption movement between the United States and East Asia It shows how both evangelical and ecumenical Christians challenged Americans to redefine traditional familial values and rethink race matters

I Call You Mine Kim de Blecourt, 2018-09-10 *I Call You Mine* is a six week study focused on realizing the incredible spiritual insights available to those who embrace God's heart of adoption Just as Jesus used stories to engage and teach the Scripture passages and personal stories in this study uncover greater truths about adoption as God's children Caring for the fatherless is a privilege believers have that sets us apart The perspective gained when working with
