

Five Little Flowers

Five little flowers growing in a row.

First one said,

"I'm purple, you know!"

Second one said,

"I'm pink as can be!"

Third one said,

"I'm blue like the sea!"

Fourth one said,

"I'm a very red fellow!"

Fifth one said,

"My color is yellow!"

Then out came the sun,

big and bright.

And five little flowers

smiled in delight.

Our Flowers Poem Prek:

Pre-K Stories Dana Frantz Bentley, Mariana Souto-Manning, 2019 Pre K Stories offers a lively exploration of how one classroom community played with and collaboratively engaged in authorship. Through everyday stories readers are invited to witness and engage with classroom practices that honor young children's brilliance and build on their questions, interests, and strengths. Weaving together literacy, language arts, social studies, science, mathematics, and more, the authors illustrate how curriculum can be authentically and meaningfully integrated. They also offer a unique perspective on the development of language and literacy practices by framing children's play narratives as the foundation from which rich curricula can grow. Pre K Stories allows readers to experience the rich cadence of a classroom while also coming to understand important theories that undergird early childhood teaching and young children's learning. A powerful and much-needed text that brings us back to what matters in education: children, their interests, and their potential. You will fall in love with this book. Catherine Compton Lilly, University of South Carolina. An inspiring, heartwarming book for all teachers committed to nurturing children's growing literacy as tools for actively engaging with the world around them. Louise Derman Sparks, faculty emerita, Pacific Oaks College. One of the many strengths of this book is that it looks at writing and authorship across disciplines. I'd like to get this book into the hands of every early childhood educator. Maisha T. Winn, University of California Davis. *Improving Mental Health and Wellbeing Through Bibliotherapy* Cortijo Ocaña, Antonio, Peres, Vicent Martínez, Orazi, Veronica, 2024-07-29

In a world that's constantly on the move and full of stress, finding ways to take care of our mental health can be a challenge. With the COVID 19 pandemic affecting our lives in unprecedented ways, prioritizing our mental wellbeing has become even more critical, especially for those who are older or living in suburban areas. Feelings of isolation and anxiety can be overwhelming. That's why the therapeutic benefits of reading are being rediscovered and are gaining renewed attention. However, what needs to be added is a comprehensive resource that delves deeper into the therapeutic value of reading, particularly in the context of bibliotherapy. *Improving Mental Health and Wellbeing Through Bibliotherapy* addresses this gap by bringing together experts from literary studies, psychology, and education. Through their insights, readers will understand how literature can be used for healing and personal growth.
