The Trinity and Our Moral Life according to St. Paul Ceslas Spicq, 2004-05-19 Roman citizenship was important to St Paul for it brought privileges and powers granted to no other men Yet with this in mind after his conversion Paul tells the community of Philippi As for us our commonwealth is in heaven Christians thus he says are to claim the citizenship of heaven fully aware of the privileges powers and responsibilities of that great destiny From the writings of St Paul the author shows how the Saint wishes us to live as citizens of heaven Christians you are already saved from the moment of your baptism you are already glorified with Christ here and now The author first shows how the paganism of the times indicated the necessity of revelation from God and how this revelation came from the Father in the person of Christ in the New Testament Christians as a result must express their gratitude to the Father by living anew in Christ Jesus This Christian concept of life is not a mere institution involving a moral code and abstract doctrine but is rather summed up in the Person of Christ The Christian can accomplish this by the work of the Holy Spirit who fosters a life of faith in Christ dominated by a love and a freedom of the children of God The fruit of this conformity to the Spirit is the beauty of the moral life Yet for all its nobility such a life is incomplete Fulfillment comes only in heaven where those who have struggled to obtain the victory will merit the living and eternal crown of blessedness with the Trinity Filled with the spirit of St Paul this volume will be of great value to those who seek a sound Scriptural theology The great Pauline themes are marvelously interwoven and highlighted in presenting a unified spiritual doctrine

Armenio,James Socías,2009-01-01 **Our Moral Life in Christ** Peter V. Armenio,Gerald Korson,Kevin Aldrich, **The Christian Moral Life** John Rziha,2017-06-30 To take a journey travelers must know where they are where they are going and how to get there Moral theology examines the same three truths The Christian Moral Life is a handbook for moral theology that uses the theme of a journey to explain its key ethical concepts First humans begin with their creation in the image of God Secondly the goal of the journey is explained as a loving union with God to achieve a share in his eternal happiness Third and finally the majority of the book examines how to attain this goal Within the journey motif the book covers the moral principles essential for attaining true happiness Based on an examination of the moral methodology in the bible the book discusses the importance of participating in divine nature through grace in order to attain eternal happiness It further notes the role of law virtue and the gifts of the Holy Spirit in

guiding and transforming humans into friends of God who participate in his happiness Following this section on moral theology in general the book analyzes the individual virtues to give more concrete guidance The entire project builds upon the insights of great Christian thinkers such as Thomas Aquinas Th r se of Lisieux and John Paul II to uncover the moral wisdom in scripture and to show people how to be truly happy both in this life and the next This book will be of great interest to undergraduate students of moral theology priests and seminarians parents and teachers seeking to raise and to form happy children and anyone interested in discovering the meaning of true happiness      **The Christian Moral Life** Timothy F. Sedgwick, 2008-11 This book a re issue of the 1999 edition demonstrates that the way of life we call Christian is lived in relationships to others Christian faith understood as practical piety calls for a life opened to the world at large concerned for the stranger as well as for the neighbor Sedgwick further emphasizes that the Christian life is grounded in the experience and worship of God His work thus develops Christian ethics as sacramental ethics an ethic that has at its center a deepening encounter with God Written in a style accessible to non specialists this book provides teachers pastors counselors and general readers with an ideal introduction to Christian ethics It renews the topic of Christian ethics by showing readers that faithful moral living is achieved through the daily practices of grace and godliness The author first explores the foundations of Christian ethics as seen by both Catholics and Protestants and then develops a constructive view of morality as a way of life Taking into account the central themes of Christian ethics he shows that effective piety is built on spiritual disciplines that deepen our experience of God prayer worship self examination simplicity and acts of hospitality      *Logic and Life* Henry Scott Holland, 1882      A Moral Life In Christ Textbook Sophia Institute for Teachers,      The Bible Doctrine of Man, Or, The Anthropology and Psychology of Scripture John Laidlaw, 1895      **The Sunday School Teacher** , 1885      **In Search of the Human Face** Luigi Giussani, 2025-02-18 What do we mean when we say I Behind that word there exists today a deep and abiding confusion And yet what could be more urgent for each and every one of us than an understanding of what it means to be a subject a true protagonist in the world Nothing is as fascinating as the discovery of the true dimensions of one s own I And nothing is as moving and provocative as the belief that God became flesh and blood to accompany each person s journey in search of their own human face Unfolding the implications of that belief is the burden of In Search of the Human Face one of the seminal books by Monsignor Luigi Giussani founder of Communion and Liberation Life presents us first of all with a decision about what we recognize as our own foundation and this decision is an event that is continually proposed again The encounter with the Christian event has for two thousand years been the encounter with a human phenomenon in which the passion for the discovery of one s own face and openness to reality are mysteriously awakened and it has as an inevitable consequence the inauguration of a new type of morality aptly described by Romano Guardini In the experience of a great love all that happens becomes an event inside that love      Christian Work , 1896      *God's "Ten Words". A Course of Lectures on the Decalogue, Preached in St. Thomas' Church, Nottingham* Walter Senior, 1880
