Powell,2007-02-04 The church is the hope of the world when it s working right and therein lies the problem Most aren t This has led both Christians and non Christians to give up on the church entirely it has led many others to give up on all existing churches and maybe even start new ones But all church can and should be transitioned to a new life A church is never beyond hope This book will provide principles and practices that can lead to a resurrection of any church in any setting It will provide the inspiration and information needed to lead a church successfully through the necessary changes of tradition and culture without compromising God s timeless truth When this happens the church will once again be what God intended the hope of the world

Reframing Spiritual Formation Edward H. Hammett,2002 Reframing Spiritual Formation takes seriously the realities of an increasingly secular pluralistic and spiritually thirsty population base most churches face with fear yet are called to reach and disciple Hammett provides succinct overviews of the challenges and opportunities these realities bring to the doors of churches and their leaders His primary focus is on facilitative questions and practical ideas for discipling the church and the unchurched who are seeking grounding and meaning in this rapidly changing world

English Ministry Crisis in Chinese Canadian Churches Matthew Richard Sheldon Todd,2015-03-26 In this book Dr Matthew Todd looks into the anecdotal reporting of high numbers of Canadian born Chinese leaving Western Canadian Chinese churches what is termed the silent exodus Some of the fastest growing Canadian churches are Chinese yet reportedly the highest dropout rates are among Chinese and Asian church adult ministries This book recommends solutions towards the retention of Canadian born Chinese adults in Chinese bicultural churches through empowerment To address retention the key factors that contribute to a silent exodus are established through qualitative research with participants of diverse church affiliations Todd examines various models and proposed solutions the Chinese church has used to retain its English speaking congregants and gives attention to a theological basis for being inclusive in mission initiatives and for empowerment through passing the leadership baton Todd makes some recommendations on the new wave of an emerging congregational model that requires negotiation with Chinese church leadership to give power away to English ministry leaders and congregations He anticipates that this will permit transformational leadership practices that contribute to shalom community transformation and lasting congregations

The Transition Paul Huddleston,2020-07-15 This book was about my life and how it inspired me to become a writer and author It also taught me to believe in myself and to tell other that anything is possible Sometimes it may not happen immediately but just believe in yourself and have faith and trust and that it will fall into place at some point in your life For me it took having the right people at the right time for this to happen but it took self confidence also You will have ups and downs in your life and bounce back Take nothing for granted and appreciate everything you have It may not

seem like a lot or fair but improve each and every day and your life will turn for the better Just as it did for me at the age of 46 I am looking forward to the rest of my life and you should too Stay Positive
