**Michael Atkinson**

## **Out On The Field Gender Sport And Sexualities:**

*Out on the Field* Helen Lenskyj, 2003 This book provides an in depth examination of gender sport and sexualities an analysis of the limitations of liberal feminist responses and an exploration of radical feminist alternatives Dr Lenskyj presents illuminating case studies from Canada the United States and Australia which exposes coaches and administrators complicity in perpetuating the chilly climate for female athletes in general and for lesbians in particular It includes a content analysis of the mass media treatment of sportswomen and a discussion of how lesbian characters are portrayed in mainstream and lesbian fiction Drawing on historical and contemporary examples Dr Lenskyj contextualizes the homophobia and sexual harassment present in the everyday experiences of significant numbers of women involved in sport and physical activity She shows that despite three decades of feminist and lesbian activism and despite the apparent liberalization of attitudes since the 1960s lesbian sexuality remains largely in the closet while heterosexuality continues to be exploited in the name of selling sport

*Routledge Handbook of Sport, Gender and Sexuality* Jennifer Hargreaves, Eric Anderson, 2014-03-05 The Routledge Handbook of Sport Gender and Sexuality brings together important new work from 68 leading international scholars that collectively demonstrates the intrinsic interconnectedness of sport gender and sexuality It introduces what is in essence a sophisticated sub area of sport sociology covering the field comprehensively as well as signalling ideas for future research and analysis Wide ranging across different historical periods different sports and different local and global contexts the book incorporates personal ideological and political narratives varied conceptual methodological and theoretical approaches and examples of complexities and nuanced ways of understanding the gendered and sexualized dynamics of sport It examines structural and cultural forms of gender segregation homophobia heteronormativity and transphobia as well as the ideological struggles and changes that have led to nuanced ways of thinking about the sport gender and sexuality nexus This is a landmark work of reference that will be a key resource for students and researchers working in sport studies gender studies sexuality studies or sociology

*The Ashgate Research Companion to Queer Theory* Noreen Giffney, Michael O'Rourke, 2016-03-23 This interdisciplinary volume of thirty original essays engages with four key concerns of queer theoretical work identity discourse normativity and relationality The terms queer and theory are put under interrogation by a combination of distinguished and emerging scholars from a wide range of international locations in an effort to map the relations and disjunctions between them These contributors are especially attendant to the many theoretical discourses intersecting with queer theory including feminist theory LGBT studies postcolonial theory psychoanalysis disability studies Marxism poststructuralism critical race studies and posthumanism to name a few This Companion provides an up to the minute snapshot of queer scholarship from the past two decades and identifies many current directions queer theorizing is taking while also signposting several fruitful avenues for future research This book is both an invaluable and authoritative resource for scholars and an indispensable teaching tool for use in the classroom

*The Palgrave Handbook of Olympic*

Studies H. Lenskyj, S. Wagg, 2012-04-11 A comprehensive state of the art reference collection bringing together an authoritative and international line up of scholars to examine key social and political issues related to the Olympics An essential one stop volume for a wide range of academics students and researchers      Women's Football in the UK Jayne Caudwell, 2013-10-18 This book examines the complex ways in which girls and women experience football cultures in Britain It extends current debate surrounding women and football namely how gender has functioned to shape women s experiences of playing the game by focusing on organisational administrative and coaching practices alongside the particular issues surrounding sexuality ethnicity and disability not only gender The book analyses football and gender to reveal the subtle forms of discrimination that persist It is important to highlight the many challenges and transformations made by girls and women but more importantly to consider the ways power continues to operate to devalue and undermine girls and women involved in the game The UK based authors make use of their recent research findings to offer critical debate on girls and women s current experiences of British football cultures Overall the book reveals the present day complexities of marginalisation and exclusion This book was published as a special issue of Sport and Society      **Out of Bounds** Helen Jefferson Lenskyj, 1986-10-01 In Out of Bounds feminist Helen Lenskyj presents an insightful examination of the links between women s participation in sports and the control of their reproductive capacity and sexuality She identifies the female frailty myth the illusion of male athletic superiority and the concept of compulsory heterosexuality as powerful determinants of masculinity and femininity in the realm of sport Looking at developments from the 1880 s to the 1980 s Lenskyj discusses medical views of women s health and physical potential and examines the social attitudes and practices that keep girls and women from participating in the full range of sports and physical activities Topics include contact sports self defence fitness bodybuilding and women only sport Photographs memorabilia and eye opening information covering 100 years reveals the missing links between women sport and sexuality      *Youth, Education, and Sexualities: K-Z* James Thomas Sears, 2005 Featuring more than 200 entries this work is an authoritative source for educators researchers and students seeking an understanding of lesbian gay bisexual and transgender LGBT youth This work examines policy practice and research concerning youth who are often the victims of bullying and harassment      Who's Coming Out to Play Claire Carter, 2021-02-24 Queer community sports leagues by their sheer numbers are changing the energy and space of school gyms and community recreational spaces Some leagues are well established having been in existence for over twenty five years whereas others are relatively new but their collective presence tells stories about the shifting dynamics of queer communities in Canada Who s Coming Out to Play considers the potential of queer community sports to disrupt notions of the embodiment of gender and community while maintaining an awareness of numerous factors that limit this potential Exploring queer teams and leagues of varying sizes and from various locations this book focuses on leagues that have previously identified as women s or lesbian and are now becoming trans and genderqueer inclusive Queer community leagues are based

in a commitment to community building prioritizing fun socializing and inclusivity over competing or winning As a result of these commitments these spaces and the people who come to play in them reflect new ways of being in and with bodies different ways of embodying gender and new or different forms of engagement notably distinct rules of play within sporting arenas Who's Coming Out to Play paints a vivid picture of the lived experiences of queer bodies in queer sporting spaces exploring both the possibilities and the continued problems they face

**International Review for the Sociology of Sport**, 2009 Gender Politics and the Olympic Industry H. Lenskyj, 2016-01-12 This book explores how the Olympic industry has shaped hegemonic concepts of sporting masculinities and femininities for its own profit and image making ends examining its continuing marginalization of athletes on account of their race ethnicity gender sexuality and class Battleground: Sports Michael Atkinson, 2008-12-30 Mega events like the Olympics the World Cup of soccer the World Series of baseball cycling's Tour de France and the Super Bowl draw our attention to the deep cultural significance of sport and its role in fostering social bonds Yet when it comes to sport there is no shortage of debate stereotypes regarding sexuality race gender and children have been hotly contested by critics for over 40 years Even today sport is one of the very few socially accepted sites of violence intense competition and controlled forms of social disorder Battleground Sports presents the 100 most contentious public and private controversies of the sports world Highlighted throughout are debates surrounding ethnicity gender sexuality and social identity sports fan behavior as well as the role of governments and corporations Engaging and accessible to a wide variety of readers this fascinating reference illustrates how sports controversies reflect the historically enduring and changing nature of our broader cultures and the social battles we engage on a day to day basis surrounding the struggles for equality debates about social violence the ethics of competition the politics of civic life the creation of global communities and the State's role in protecting citizens Entries contain an array of thoughtful perspectives on historic and current controversies and allow readers to formulate their own conclusions Enhanced with a timeline a thorough guide of print and electronic resources for high school and undergraduate student research this one stop reference goes beyond the newspaper headlines to provide readers with a guide map for understanding what sport controversies teach us about our culture and ourselves

**Sport and Gender in Canada** Kevin Young, Philip White, 2007 This contributed volume includes articles on sport and gender written by leading scholars in their areas of expertise Part I demonstrates that 1 the relationship between sport and gender has not developed in a smooth uncontested or linear way that always privileges all males and always discriminates against all females and 2 that the relationship between sport and gender can best be understood sociologically by tracing the intersections between sport gender and other ways that Canadian life has been and remains stratified such as social class age race ethnicity and sexuality In Chapter 1 Melissa Parker and Philip White explore the chronological development of theoretical frameworks addressing both the gendering of sport and what it means to be gendered in sport Michael Atkinson argues in Chapter 2 that there is a strong link between types of research methods used

and knowledge claims made by researchers In *Cultural Struggle and Resistance Gender History and Canadian Sport* M Ann Hall traces the early moments of organized women s sport in Canada to show that women s sport in Canada is built on far stronger foundations than is often assumed In the following chapter Kevin Wamsley argues that not all men were privileged by early Canadian sport practices For instance he outlines the process through which sport became an arena for the construction of particular types of masculinity notably masculinities that helped reinforce the dominance of powerful groups of men Beginning from the premise that Canadian society and thus Canadian sport is far from classless Peter Donnelly and Jean Harvey provide numerous examples in Chapter 6 to show that there have been major social class and gender inequalities throughout the history of sport Again we are reminded that gender is a complex and multidimensional phenomenon that can best be understood if we trace power differences not only between different groups of men and women but also between different versions of masculinity and femininity associated with particular social groups social classes and social settings Part II of this book focuses on the work currently being done by leading researchers in the area of sport and gender in Canada on a broad spectrum of sport related topics The chapters reflect a variety of theoretical standpoints and methodological procedures These chapters emphasize the need to study gender in a way that is not only non categorical but perhaps moves beyond the distributive level towards understanding how sport assumes particular forms at particular historical junctures and grows out of relations of power that are determined culturally and reinforced ideologically In Chapter 6 Sally Shaw and Larena Hoeber show how the prevalence of gendered discourses hinders the achievement of gender equity in Canadian amateur sport organizations The idea that there is no singular masculinity and femininity operating within Canadian sport is developed in Chapter 7 in which Philip White and Kevin Young review research findings on gender and rates and types of sport injury In Chapter 8 Caroline Davis observes that some femininities are more closely associated with body image disorders than others and discusses the biological sociological and psychological factors acting on the relationship between sport physical activity and eating disorders Chapter 9 by Peter Donnelly *Who s Fair Game Sport Sexual Harassment and Abuse* identifies how power differences tend to exist at the heart of abusive and exploitive sport based relationships Notions of power relations are also central to Chapter 10 written by Patricia Vertinsky and Sandra O Brien Cousins on the effects of gender on participation in sport among older Canadians Specifically their chapter demonstrates how older women are disadvantaged relative to men when it comes to involvement in sport and physical activity Victoria Paraschak s chapter on sport and Canada s First Nations peoples Chapter 11 provides vivid examples of how unequal gender relations are created and reproduced over time Chapter 12 calls for a collapsing of the rigid binary categories of hetero homosexuality on the grounds that these are used to preclude full and equal gay and lesbian participation in sport Identifying patterns of exclusion from participation in sport and physical activity is also the focus of Chapter 13 which is authored by Wendy Frisby Colleen Reid and Pamela Ponc This chapter demonstrates how a combination

of poverty and prevailing municipal recreation department policies seriously limit the opportunities of many women from active recreation In Chapter 14 Brian Wilson explores how the media reinforces taken for granted understandings of gender appropriate orientations toward the body and sport In the following chapter Jamie Bryshun and Kevin Young provide some of the first substantial evidence for the routine involvement of female athletes in initiation hazing rituals in Canada and conclude that power relations between neophyte and veteran female players may be just as aggressive coercive and high risk as those occurring on male teams Sport and Gender in Canada reflects a growing body of work highlighting the diversity that exists among Canadian sportswomen and sportsmen in terms of factors such as age race heritage sexuality and social class To speak of a generic sporting masculinity or femininity or indeed of a generic sporting experience simply does not do justice to the complexity of Canadian sporting life

*The Masculine Modern Woman* Jenny Ingemarsdotter, 2018-12-17 This book takes a fresh approach to one of the most popular cultural symbols of modernity in the 1920s the masculine modern woman Uncovering discourses on female masculinity in interwar Sweden a nation that struggled to become modern but not decadent this study examines cultural representations and debates across several arenas including fashion film sports automobility medicine and literature Drawing on rich empirical material this book traces not only how the masculine modern woman reshaped the imaginary space of what women could be do and desire but also how this space was eventually shrunk in order to fit into an emerging vision of a family oriented people s home

**International Perspectives on Sporting Women in Past and Present** Annette R. Hofmann, Else Trangbaek, 2005 **Berkshire Encyclopedia of World Sport**, 2005 Covers the whole world of sport from major professional sports and sporting events to community and youth sport as well as the business of sports and key social issues Provided by publisher Feminist Periodicals, 2006 **Understanding & Representing Transgender Clients**, 2004 *New Books on Women, Gender and Feminism*, 2008 *Women's Lives* Gwyn Kirk, Margo Okazawa-Rey, 2007 This interdisciplinary multicultural text reader provides an introduction to women s studies by examining U S women s lives in a global context and across categories of race ethnicity class sexuality disability and age Substantial chapter introductions provide updated statistical information and explanations of key concepts and ideas as a context for the readings Each chapter includes Questions to Frame Your Reading and Suggestions for Taking Action to help students link their knowledge and understanding to their own lives and apply it to the world around them Ski Style Annie Gilbert Coleman, 2004 Coleman traces skiing from its Norse roots and Alpine influences through the utility of ski travel in the winter Rockies to the rise of Colorado resorts Much more than a history of the sport her work explains how the recreation industry sold the experience of skiing and created mythic mountain landscapes with real problems and a ski culture that exalts celebrity and status over the physical act of skiing Jacket

## **Out On The Field Gender Sport And Sexualities** Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change.
