Imelda Wallace, Janet P. McKenzie, 2009-04-01 First published in 1923 this classic story of the persecution of Scottish Catholics contains chapter by chapter aids to assist readers in assimilating the book's strong Catholic elements into their own lives      **Outlaws of Ravenhurst** Mary Imelda Wallace, 1950      *Designing Your Own Classical Curriculum* Laura M. Berquist, 2010-09-20 Home educator Laura Berquist presents a modern curriculum based on the time tested philosophy of the classical Trivium grammar logic and rhetoric She has given homeschoolers a valuable tool for putting together a liberal arts curriculum that feeds the soul as well as the intellect Her approach covering grades K 12 is detailed and practical and it is adaptable by parents and teachers to any situation This third revised edition includes a much expanded section for a high school curriculum and an updated list of resources for all grades      *Three Years Behind the Guns* John B. Tisdale, 2018-03-05 When Commodore George Dewey's Asiatic Squadron sailed into Manila Bay on May 1 1898 to defeat the Spanish fleet it marked a major turning point in American history Aboard Dewey's flagship Olympia one very young sailor with a keen eye and agile pen was writing it all down Having run away from home to join the navy in 1895 Jack Tisdale hoped that he would be lucky enough to land a berth aboard the Olympia a modern steel protected cruiser and flagship of the US Asiatic Squadron He ended up getting his wish and a lot more than he bargained for Originally published in 1908 a decade after the events described *Three Years Behind the Guns* is an amusing gritty look at life aboard a man o war at a time when the United States was on the cusp of becoming a great power Though a memoir the author writes with all the youthful exuberance of the age describing his experiences with good humor and verve even when they stretch the bounds of credulity There are literal fish stories here such as when Jack captures a two foot long flying fish on the deck or when his shipmate nearly loses a toe while doing some illicit angling But there are also descriptions of more somber events such as the death of a shipmate during gunnery practice or the midnight wreck of a Chinese steamer Stories of his adventures at various

ports of call are myriad crowned by his unique perspective on the Battle of Manila Bay as a member of the crew of Olympia's main guns Tisdale's ship USS Olympia still exists to this day as a museum in Philadelphia PA where visitors may see how the decorative wood paneling and furniture in the officers quarters contrasts sharply with the painted steel and spartan decks of her crew quarters and engineering spaces Like the ship Three Years Behind the Guns is a hybrid part solid fact part work of art Such beautiful mementos of our bygone history deserve to be maintained if for no other reason than as concrete reminders of how we got here

**Centurion's Daughter** Justin Swanton, 2011 Her Frankish mother dead 17 year old Aemilia arrives at Soissons in Roman Gaul in search of her Roman father whom she has never met She knows only that his name is Tarunculus and that he is a former centurion She finds an old man fixed on the past attempting in vain to kindle a spark of patriotism in his dispirited countrymen Soon Aemilia is caught up in her father's schemes to save the Empire and the intrigues of the Roman nobility in Soissons In the war between Franks and Romans to decide the fate of the last imperial province Providence will lead her down a path she could never have imagined Written and illustrated by master storyteller Justin Swanton Centurion's Daughter is a thoughtful and compelling journey to a little known period of history when an empire fell and the foundations of Christendom were laid

*A Landscape with Dragons* Michael D. O'Brien, 1998 The Harry Potter series of books and movies are wildly popular Many Christians see the books as largely if not entirely harmless Others regard them as dangerous and misleading In his book *A Landscape with Dragons* Harry Potter critic Michael O'Brien examines contemporary children's literature and finds it spiritually and morally wanting His analysis written before the rise of the popular Potter books and films anticipates many of the problems Harry Potter critics point to *A Landscape with Dragons* is a controversial yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them In this study of the pagan invasion of children's culture O'Brien the father of six describes his own coming to terms with the effect it has had on his family and on most families in Western society His analysis of the degeneration of books films and videos for the young is incisive and detailed Yet his approach is not simply critical for he suggests a number of remedies including several tools of discernment for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution In doing so he points the way to rediscovery of time tested sources and to new developments in Christian culture If you have ever wondered why a certain children's book or film made you feel uneasy but you couldn't figure out why this book is just what you need This completely revised much expanded second edition also includes a very substantial recommended reading list of over 1 000 books for kindergarten through high school
