## Prime Big Deals Top:

**Bigger Deal** Anthony Holden, 2016-06-09 Fifteen years on from Anthony Holden's undisputed classic BIG DEAL the poker world has changed beyond recognition. When Holden played in the 1988 World Series of Poker there were 167 entrants competing for a prize of 270 000. At the 2006 WSOP where this book climaxes there were 8773 players and a first prize of some 12 million the richest in any sport. What happened in the years between BIG DEAL and BIGGER DEAL is simple: thanks to the Internet and television there has been a worldwide explosion in the popularity of poker. The game even has a new respectable image much to the disgust of die hard players. Gone are the seedy smoky rooms of the Horseshoe and celebrities now crowd the tables at huge Las Vegas tournaments. Martin Sheen, Matt Damon and Ben Affleck are all dedicated players. In the UK LATE NIGHT POKER draws some 2 million viewers. Holden was banned from the last series for doing too well. In BIGGER DEAL Holden is your guide and the only guide you'll need to the world of new poker as he prepares to enter the WSOP once again. Will he win the title? Place your bets.

**Networks to Netflix** Derek Johnson, 2018-01-03 Even as the television industry experiences significant transformation and disruption in the face of streaming and online delivery the television channel itself persists. If anything the television channel landscape has become more complex to navigate as viewers can now choose between broadcast, cable, streaming and premium services across a host of different platforms and devices. From Networks to Netflix provides an authoritative answer to that navigational need helping students, instructors and scholars understand these industrial changes through the lens of the channel. Through examination of emerging services like Hulu and Amazon Prime Video, investigation of YouTube channels and cable outlets like Freeform and Comedy Central and critiques of broadcast giants like ABC and PBS this book offers a concrete, tangible means of exploring the foundations of a changing industry.
