Sight Word Speller, 2024-12-31 The 120 words in this resource are called sight words because students need to know them on sight. Sounding them out doesn't always work. Students will see them a lot in their reading. Students will also use them a lot in their writing. The goal is for students to read the words right away and to spell them without mistakes. *Sight Word Spellers Book 2* helps young children learn to spell the highest frequency words in the English language. This resource focuses on the next 120 words on the Dolch list. Many of these words do not follow regular phonics patterns. Instead, students must memorize the words through frequent exposure. Students will find the following activities in the *Sight Word Spellers Word Shapes*: Students draw around the words. *Word Tracing*: Students trace the letters in the words. *Missing Letters*: Students fill in missing letters. *Word Scrambles*: Students put the letters in the correct order. *Spell Check*: Students cross out misspelled list words. *Rhyme Time*: Students write words that rhyme. *Word Search*: Students find the words in letter strings. *Word Sort*: Students sort the words by the number of letters. *Crosswords*: Students write list words across and down. **Sight Word**
