*Strategic Management* A. Naga, In today's world change is the only constant factor. In the last few decades there has been a radical change in how organizations function. To survive in this highly volatile environment companies need a long term strategic vision and thinking. In light of this strategic management has become a significant topic and is taught as the core subject in MBA PGDM programmes in Indian universities and business schools. This is a book written in the context of the Indian business environment but with a global orientation. It is comprehensive and contemporary in its approach.

**Strategic Management** John A. Parnell, 2013-01-15 Balancing theory with practice this fully updated fourth edition of John A Parnell's acclaimed text continues to provide detailed accessible coverage of the strategic management field. Taking a global perspective the text addresses concepts sequentially from external and internal analysis to strategy formulation, strategy execution and strategic control. To help readers build their analytic skills as they master course concepts Parnell aligns each chapter's key concepts with 25 case analysis steps. Current examples and high interest cases largely drawn from The Wall Street Journal and Financial Times illustrate the key role of strategic management in the United States and around the world. Ideal for the capstone strategic management course. Strategic Management is appropriate for a range of undergraduate and graduate courses.
