Wal-Mart World Stanley D. Brunn, 2006 Now that Wal Mart has conquered the US can it conquer the world As Wal Mart World shows the corporation is certainly trying For a number of years Wal Mart has been the largest company in the United States Now though it is the largest company in the world Its global labor practices and outsourcing strategies represent for many what contemporary economic globalization is all about But Wal Mart is not standing still and is opening up stores everywhere From Germany to Beijing to Mexico City to Tokyo more than a billion shoppers can now hunt for bargains at a Wal Mart superstore Wal Mart World is the first book to look at this incredibly important phenomenon in global perspective with chapters that range from its growth in the US and impact on labor relations here to its fortunes overseas How Wal Mart manages this transition in the near future will play a significant role in determining the character of the global economy Wal Mart World's impressively broad scope makes it necessary reading for anyone interested in the global impact of this economic colossus

*Disturbances in Heaven* Ivan Franceschini, Kevin Lin, Nicholas Loubere, 2017-02-16 Labour and civil society are two fundamental components of international discussions concerning China today Whether it is the arrest of labour activists or rights lawyers the adoption of new industrial policies or the passing of draconian rules on non governmental organisations the events occurring in these areas in China often make global headlines At the same time in spite of the grave challenges for workers and activists the Chinese labour movement is witnessing significant developments with the occurrence of some of the largest strikes in decades All of this calls for more serious analysis from both scholars and practitioners as well for critical engagement with a broader global audience interested in forging international solidarity It is with these aims in mind that we have compiled this Made in China Yearbook 2016 Disturbances in Heaven a collection of original articles by both scholars and activists analysing the most important trends in Chinese labour and civil society over the past year With its unique blend of in depth scholarly work written in a direct accessible style this volume will allow readers to situate events and policies related to Chinese labour and civil society in a wider context and serve as an indispensable reference book for international activists practitioners and policy makers

**Monthly Statistical Commentary on Indian Economic Conditions**, 2013 Includes annual numbers **The Wal-Mart Effect** Charles Fishman, 2006-01-19 Highly readable incisive precise and even elegant San Francisco Chronicle Insightful BusinessWeek Wal Mart isn't just the world's biggest company it is probably the world's most written about But no book until this one has managed to penetrate its wall of silence or go beyond the usual polemics to analyze its actual effects on its customers workers and suppliers Drawing on unprecedented interviews with former Wal Mart executives and a wealth of staggering
