I Saved 92% on My Groceries! A Guide To Getting the Best Deals & Freebies James McCullough, 2013-05-26 You've no doubt heard of extreme couponing. Most people are not able to get the types of deals these extreme couponers do because we live in states where there is sales tax on groceries or store policies prohibit the use of coupons being used in certain ways. You also hear about these awesome savings but they never tell you that the people spent hundreds of dollars to purchase pre-clipped coupons. What you're going to learn in this book is the steps that will work for almost anyone with little time or money spent. You'll save on groceries, toiletries, home repair, restaurants, parties, and even learn how to make extra money in your spare time. You'll learn what items you should never pay for because they are almost always free after coupons like rice, pasta, yogurt, batteries, etc.
