Ziembra, 2022-09-01 In their early years the Chicago Bears and the Chicago Cardinals the two oldest teams in the National Football League travelled the country with only rare mention in the newspapers Both teams later saw their official records destroyed by fire Most of what is now known about those initial seasons is based on often inaccurate statements made many years later Reconstructing their missing history this book draws on newly available resources to document the battles and brawls on and off the field the cunning backroom deals the financial woes and the 40 year rivalry that endured while both teams were in Chicago Figures like Al Capone Red Grange Jim Thorpe and Bronko Nagurski make appearances in the lore of two old adversaries whose uneasy alliance helped ensure the survival of the fledgling NFL Electrical Installation Record

his debut at Ebbets Field on opening day in 1947 the Brooklyn Dodgers became the first major league team with a black player anywhere in its organization By the end of the Golden Era of baseball a period in and around the 1950s there would be an unprecedented number of notable black players in the major leagues including Hall of Famers Hank Aaron Ernie Banks Roberto Clemente Willie Mays and Jackie Robinson While this era is defined by integration it was also the age of the boys of summer Brooklyn Dodgers New York Yankee dominance and the first major change in the geographic landscape of the big leagues in half a century In *The Golden Era of Major League Baseball A Time of Transition and Integration* Bryan Soderholm Difatte explores the significant events and momentous changes that took place in baseball from 1947 to 1960 Beginning with Jackie Robinson s rookie season in 1947 Soderholm Difatte provides a careful and thorough examination of baseball s integration including the struggles of black players who were not elite to break into the starting lineups In addition the author looks at the dying practice of player managers the increasing use of relief pitchers and platooning the iconic 1951 pennant race between the New York Giants and the Brooklyn Dodgers and more Soderholm Difatte also tells the stories of three central characters to this era whose innovations strategies and vision changed the game Branch Rickey who challenged the baseball establishment by integrating the Dodgers Casey Stengel whose 1949 1953 Yankees won five straight championships and Leo Durocher whose spy operations was a major factor in the Giants 1951 pennant surge In an age when baseball was at the forefront of American society integration would come to be the foremost legacy of the Golden Era But this was also a time of innovative strategy from the use of pinch hitters to frequent defensive substitutions Concluding with an overview of how baseball is still evolving today *The Golden Era of Major League Baseball* will be of interest to baseball fans and historians as well as to scholars examining the history of integration in sports *The Baseball Bible* Angel Torres,1984

Launius,2002 Presents the history of the major league baseball teams that have called Missouri home from 1876 to 2001 from St Louis s first league the Brown Stockings to Kansas City s Negro World Series winning league the Monarchs to the state s National League champions the Cardinals *Motion Picture Herald* ,1946 **Red Sox vs. Yankees** Bill Nowlin,David Fischer,2019-05-07 Teddy Ballgame or the Great Bambino Nomar or Jeter Clemens or Clemens For more than 115 years the Boston Red Sox and New York Yankees have been battling it out on the diamond playing each other over 2 000 times This heated rivalry has stood the test of time as one team s triumph usually means the other s dismay While the teams battle on the field the fans and cities take the rivalry just as seriously But who s the best Which team s players have the edge Which team s squad would reign supreme If you ask a New Yorker you ll get an obvious answer same with a Bostonian But what happens when two men from opposite sides of the track sit down to discuss who is the best Red Sox vs Yankees pairs baseball historians Bill Nowlin Red Sox and David Fischer Yankees to discuss who each team s best position player was and which super team would win in a head to head series Obviously they won t easily agree Obviously there will be cheap shots and venom spewed back and

forth But in the end we will have two teams one of the greatest players and one of each squad s best year You can guess that Nowlin will say that the Sox will win while Fischer is confident that the Yanks will be victorious But it s not that easy Thanks to the help of Action PC Baseball we will have a simulation to find out which team would win in a head to head battle Will the All Star Yankees take the series Will the Red Sox pummel the best the Bronx has to offer There s only one way to find out
