Showing Your Face Bolakale Aremu, 2024-03-03 In this book I'll show you how to make money by creating videos on YouTube without recording your face or voice This is going to be a straight to the point training that shows you exactly what to do It's going to have no fluff It's not going to be like other trainings that just talk about theory You're going to walk away from this book with actionable information that you can take action on right now Specifically I'll go over four different powerful secrets for doing this

The Discourse of YouTube Phil Benson, 2016-10-26 The Discourse of YouTube explores the cutting edge of contemporary multimodal discourse through an in-depth analysis of structures processes and content in YouTube discourse YouTube is often seen as no more than a place to watch videos but this book argues that YouTube and YouTube pages can also be read and analysed as complex multi-authored multimodal texts emerging dynamically from processes of textually mediated social interaction The objective of the book is to show how multimodal discourse analysis tools can help us to understand the structures and processes involved in the production of YouTube texts Philip Benson develops a framework for the analysis of multimodality in the structure of YouTube pages and of the multimodal interactions from which their content emerges A second and equally important objective is to show how the globalization of YouTube is central to much of its discourse The book identifies translingual practice as a key element in the global discourse of YouTube and discusses its roles in the negotiation of identities and intercultural learning in videos and comments Focusing on YouTube as a key example of new digital media The Discourse of YouTube makes a substantial contribution to conversations about new ways of producing multimodal text in a digital world
