**A Conversation with an Atheist** Daniel McKenzie,2023-05-26

In A Conversation with an Atheist Daniel McKenzie takes on the thorny topic of God Countering religion s simple faith based answers to life s biggest questions McKenzie uses everyday logic and the teachings of non dual wisdom to make a clear case for God knowledge over God belief The book begins with a contentious dialog between an atheist and a sage who shares a vision of God that isn t in conflict with reality Taking inspiration from the Upanishads and the Bhagavad Gita The Song of God the author shows that in order to understand God we must first see it as two different operating principles before seeing it as a unified whole what he calls God 1 and God 2 The result is a cognitive shift that changes not only our view of God but also how we view ourselves and our connection to each other and the cosmos

## **A Copernican Critique of Kantian**

**Idealism** J.T.W. Ryall,2017-09-18 This book offers a comprehensive critique of the Kantian principle that objects conform to our cognition from the perspective of a Copernican world view which stands diametrically opposed to Kant s because founded on the principle that our cognition conforms to objects Concerning both Kant s ontological denial in respect of space and time and his equivalence thesis in respect of experience and objectivity Ryall argues that Kant s transcendental idealism signally fails to account for the one thing that is essential for Copernicus and the only thing that would validate a comparison between his and Kant s critical philosophy namely the subject as revolving object It is only by presupposing in a

transcendentally realistic sense that human beings exist as physical things in themselves therefore that the observer motion of Copernican theory is vindicated and the distorted nature of our empirical observations explained In broadly accessible prose and by directly challenging the arguments of many stalwart defenders of Kant including Norman Kemp Smith Henry E Allison and Michael Friedman Ryall s book will be of interest to both scholars and students of Kant s philosophy alike

**Self and the Supreme** Dr. K. Sadananda,2020-07-29 All scriptures declare that the Lord is omnipresent Scripture says tvam eva mataa you are the mother you are the father ultimately you are everything Seeing the Lord involves recognizing the Lord in the form of the mother father teacher and then in every form This book evolves with that vision with salutations to mother father teacher and with the vision of the Lord in and through the whole creation This understanding culminates with the Self and the Supreme becoming one through the Advaitic Teaching The evolution of the Self to become one with the Supreme forms the essence of this book
