## Only Passing Through:

**Passing Through** Richard Menzies, 2005-01-04 Richard Menzies has logged a quarter of a million miles on his vintage Volkswagon bus in pursuit of pictures and unusual stories His favorite destination is Nevada which encloses more open public land than any other state in the lower forty eight Nevada s backcountry is sparsely populated yet surprisingly rich in diversity he writes Her social fabric is a colorful tapestry of cultures and ethnicities fringed by eccentrics who simply defy categorization Think of the Silver State as a haven for those irregular souls who could never be content with a nine to five job or a three bedroom split level in suburbia Passing Through is a compilation of the most memorable misfits Menzies has encountered in the course of his peripatetic wanderings across the American Outback
