**Our Tree Named Steve** Alan Zweibel,2010 In a letter to his children a father recounts memories of the role Steve the tree in their front yard has played in their lives      **Our Tree Named Steve** Alan Zweibel,2007-02-15 For use in schools and libraries only In a letter to his children a father recounts memories of the role Steve the tree in their front yard has played in their lives      **More Picture-perfect Science Lessons** Karen Rohrich Ansberry,Emily Rachel Morgan,2007 Teacher s handbook for teaching science      *What's the Story: Storytelling with Young Children as a Path Toward Living Happily Ever After* Stephen Spitalny,2015-05-21 This inspiring book includes ideas about many aspects of stories and ideas about how to make stories in general and stories to help change behaviors in your young children The text is accessible and direct with clear instructions to make the use of stories and the creating of stories less daunting You can enter and be comfortable in the fantastic world of story The gift of a world of story can enrich your life and the lives of those around you especially the young children Story allows us young and old to make sense of the world around us and to have hope for getting through challenges towards a better world      **The Frugal Science Teacher, PreK-5: Strategies and Activities** Linda Froschauer,2010-06-04

**Reading Children's Literature: A Critical Introduction - Second Edition** Carrie Hintz,Eric L. Tribunella,2019-03-28 Reading Children s Literature offers insights into the major discussions and debates currently animating the field of children s literature Informed by recent scholarship and interest in cultural studies and critical theory it is a compact core text that introduces students to the historical contexts genres and issues of children s literature A beautifully designed and illustrated supplement to individual literary works assigned it also provides apparatus that makes it a complete resource for working with children s literature during and after the course The second edition includes a new chapter on children s literature and popular culture including film television and merchandising and has been updated throughout to reflect recent scholarship and new offerings in children s media      **There's No Toilet Paper ... on the Road Less Traveled** Doug Lansky,2005 This collection captures the wackiest experiences of writers whose travels took a detour such as Dave Barry vainly trying to learn more Japanese than how to order a beer and Mary Roach who discovers that utilizing an Antarctic outhouse at the very moment a seal chooses to use its opening as a blowhole may not be the best way to start the day      *Learning Under the Influence of Language and Literature* Lester L. Laminack,Reba M. Wadsworth,2006 Lester and Reba not only provide us with a bold new framework for weaving read alouds seamlessly into the fabric of the classroom they also show us how to do it with grace and art At the heart of their work are richly annotated lists of read alouds for a variety of purposes The authors intimate knowledge and experience with these books make the annotations sing Lucy Calkins Open this book and invite the richness the excitement of story and poetry into your classroom every single day Take note chapter by chapter of the endless possibilities and ways to steer your students toward the powerful enchantment of books Laminack and Wadsworth ask you to never forget the power of literacy in the lives of learners and this book will serve as a perfect reminder time and time again

Rebecca Kai Dotlich author of *Lemonade Sun and Other Poems of Summer* The read aloud of yesteryear was often limited in its ambition and application a well intended routine for getting students attention or settling them down But today s read aloud is a vibrant deliberate part of good teaching an essential effective strategy for introducing sophisticated ideas to young learners throughout the school day by immersing them in rich language and literate behaviors The influence of reading aloud can be profound and *Learning Under the Influence of Language and Literature* shows you how to plan for and implement the read aloud for maximum instructional effect *Learning Under the Influence of Language and Literature* revolutionizes the read aloud Lester Laminack and Reba Wadsworth lay out six types of read alouds each of which targets key instructional goals including addressing standards in the curriculum building community demonstrating the craft of writing enriching vocabulary enticing children to read independently modeling fluent reading Whether you read aloud once a day or six times a day Laminack and Wadsworth give you all the strategies you need to make the read aloud a successful and effective way to lead your students to new understandings You ll discover how why and when to read aloud and find both specific suggestions for planning instruction around it and numerous ideas for entry points into it Best of all they provide an extensively annotated list of four hundred titles to use with each of the six types of read aloud including ample suggestions for how each fits within the reading and writing curriculum
