

THE OUTSIDERS: DISCUSSION GUIDE #3

Encourage critical thinking and support your students' literary development by asking questions during reading. Here are some questions you can ask your readers to engage them in a discussion.

CHAPTERS 9-10

Comprehension: _____

- How does Ponyboy feel before the rumble?
- There are different greaser gangs that fight together in the rumble. How is Tim Sheppard's gang different from Ponyboy's gang?
- Who is Paul Hadden? What is the connection between him and Garry?
- Which group wins the rumble?
- What are the effects of the injury Ponyboy suffers in the rumble?
- What happens after Gally learns about Johnny's death?

Text Analysis: _____

- Ponyboy understands that in his neighborhood, "young hoods . . . would grow up to be old hoods." However, he doesn't think this will happen to him and Garry. Why doesn't Ponyboy see himself as a "hood"? Why is Ponyboy certain that neither he nor Garry will become hoods?
- A **theme** is a universal message explored throughout a work of literature. How does the fight between Garry and Paul Hadden help to explore the theme of hostility between different social classes?
- An **allusion** is an implied or indirect reference, especially in literature. Johnny's last words to Ponyboy are an allusion. What does he say, and what does he mean by this allusion?

Personal Connection: _____

- Ponyboy doesn't really like fighting and only thinks it's okay in cases of self-defense, but he feels obligated to participate in the rumble anyway. Can you think of a situation in a movie, TV show, or real life where someone didn't want to do something, but did it anyway because they felt like they had to in order to be a good friend? Explain.
