Transformative Practices in Tertiary Education: Bridging Theory and Practice El-Kafafi, Siham Omer, 2025-05-23

Students in higher or adult education often face a wide array of challenges as they learn skills for transitioning to the workforce. They and their educators may encounter critical topics including emotional intelligence, student-educator relationships, and feedback mechanisms, as well as employability skills. As a result, it is crucial for educators to foster and for students to learn teamwork skills, social-emotional skills, and strategies for teaching and learning to increase engagement. Thus, innovative approaches are needed to address the evolving needs of students, educators, and institutions that support students as well as the faculty. *Transformative Practices in Tertiary Education: Bridging Theory and Practice* empowers these diverse stakeholders with the knowledge and tools needed to transform higher education, making it more inclusive, effective, and responsive to the needs of today's learners. It discusses methods for shaping educational policies and initiatives at various levels. Covering topics such as change navigation, global learning, and internships, this book is an excellent resource for educators, educational administrators, educational leaders, educational planners, policymakers, professional development facilitators, professionals, researchers, scholars, academicians, and more. FFIT 2023 focuses on Economic Statistics, Big Data, Financial Risk Control, Economic Modeling, and Software Engineering, Accounting, and Financial Information Systems, Innovative Supply Chain, Financial Services, and other fields. The aim of the conference is to provide a platform for experts, scholars, engineers, technicians, and technical R & D personnel to share scientific research achievements and cutting-edge technologies, understand academic development trends, expand research ideas, strengthen academic research and discussion, and promote the industrialization and cooperation of academic achievements. We hope that this conference will continue to be held in the coming years, making it an ideal platform for people to share views and experiences in financial innovation and economic development and related areas. We would also like to thank the invited speakers for their valuable contributions and for sharing their perspectives during their speeches.

Reinventing Blogging with ChatGPT Laua Maya, 2023-05-12 *Reinventing Blogging with ChatGPT* is a comprehensive guidebook for bloggers and authors seeking to enhance their content creation workflow through the use of AI language model ChatGPT. The book provides a clear and concise overview of the entire process, from identifying target audiences and niches to sharing posts on social media and evaluating blog performance. What sets this book apart is its focus on writing from prompts. To aid bloggers in generating fresh and creative ideas, the authors provide various sentence, multiple sentence,

and conversation prompts throughout the book. These prompts are designed to complement specific chapters such as *Creating Your Blog's Mission Statement* and *Brainstorming Blog Post Topics* and can help bloggers who may be struggling to come up with ideas. In addition to prompts, the book covers other essential aspects of blogging such as search engine optimization, SEO, affiliate marketing, and social media promotion. The authors offer actionable advice and tactics on how to increase visibility and readership through strategic use of these tools. For instance, in the chapter *Inserting Strategic Links and Affiliate Links*, the writers provide best practices for incorporating affiliate links to monetize blogs without sacrificing writing integrity. The book also devotes several chapters to leveraging ChatGPT to improve the content development process. The authors provide an overview of ChatGPT and explain how to use it for generating topic ideas, refining writing, and creating attention-grabbing headlines. The prompts offered throughout the book make it easy for bloggers to produce high-quality content quickly and easily. Another key feature of the book is its focus on reader engagement. The authors offer practical advice on developing relationships with and maintaining interest from the target audience. The section *Interacting with Your Audience* details how bloggers can encourage conversation and feedback through comments and other tools. Finally, the book concludes with a chapter on performance analysis. The authors provide guidance on measuring the success of blog content using metrics such as readership and time spent on site. By monitoring these statistics, bloggers can identify what is working and what is not, leading to better content and higher rankings. In conclusion, *Reinventing Blogging with ChatGPT* is an invaluable resource for bloggers and authors seeking to improve their content creation process and attract a larger readership. The book's emphasis on writing from prompts and practical advice for audience engagement and performance analysis make it a must-read for bloggers of all skill levels.
