Denham, 2012-11-29 I have written three short Stories involving characters developed from The Assistant a sea story my earlier work The principles Florence and John Decker are not a youthful married couple or are they your typical man and wife Their backgrounds are as different as day and night but function better than any oyster movement Captain John Decker spent most of his adult life at sea a decorated career naval officer and later as a Licensed Master Mariner in command of a modern containership His gregorious life style and good living was truncated by an unwilling physcial plant that had enough Bent but not broken John survived and was offered a job ashore by his employer in a less responsible position with

comensurate benefits Life changed and so did John Never a brilliant leader or exciting entrepreneur he is successful because he thinks logically and communicates well He would be outstanding if he knew what he was doing He has survived 8 years in a middle management role and at age 65 planned to retire Now married and relatively settled down John plans to become a partner with Flo in a fledgling business Inquiry Associates Flo a lawyer ex FBI Special Agent and a state Judge has found her true place as head of IA Inc Started as a confidential consulting business it quickly evolved into a problem solving legal investigation resource for the U S Government and related friends As the brains of the organization Flo has numerous friends acquaintances and people she knows and people that know her on both sides of the law One word describes her integrity The Deckers try to live a normal life They are frequently drawn astray by well meaning friends and others that need their special help This compendium relates to only three episodes in the life and struggles of Florence and John Decker of 1A Inc and their daily attempt to normally exist BOMB A WEIGH John and Florence Decker try the good life only to be trapped in a national emergency that verges on catastrophe A small effective and efficient team of government and public volunteers react and with unexpected assistance battle time to seek solution THE FATHERS The Deckers are involved in investigating an international crime threat that if expanded can destroy governments and corrupt nations A quickly organized response team by passes procedures and attacks processes head on The enemy is determined to be more powerful and corrupt than the existing rules can manage therefore a unique process and people are involved in the resolution THE PRIZE The past catches up with John Decker and a friend asks for assistance in a delicate matter involving an Asian nation Each development creates a bigger problem Political and international organized forces oppose and interfere at each opportunity The friends of the Deckers respond and short circuit processes and reach out to international leaders for help The Inquiry Associates Inc is in over its head until the U S Government is forced to be involved the tide quickly turns as the professionals act

*Beyond the Xs and Os* Mark C. Poloncarz, 2019-08-19 Inside account of the negotiations between the football Bills New York State and Erie County to sign a long term stadium lease and thereby keep the team in Buffalo Beyond the Xs and Os is the previously unpublished story of how a long term stadium lease was negotiated and signed by New York's Erie County the state and the Buffalo Bills football team Mark C Poloncarz the elected executive of the community that owned the stadium provides a rare glimpse into the long difficult but ultimately rewarding effort to successfully conclude negotiations between a National Football League NFL franchise the NFL and a multitude of players from the political arena including Governor Andrew Cuomo and US Senator Chuck Schumer Poloncarz discusses the financial side of sports and reveals how the county was able to navigate what proved

to be often turbulent waters Complicating negotiations was an ongoing frenzy in the local news media hungry for any news about the new lease and Bills team owner Ralph C Wilson Jr who was ninety two and had said the team would be sold upon his death thereby possibly being relocated to another city In the end a new lease was signed and the Bills remained in Buffalo at a time when a number of similar sized communities watched their teams relocate to other cities in larger markets Mark C Poloncarz s book offers the most complete inside football account of how the county the state and the Bills navigated a lengthy negotiation that ultimately resulted in a 10 year lease of the Bills stadium in early 2013 The book is filled with political insights and surprises it also offers flashes of wit recountings of fraught conversations and interesting anecdotal nuggets Buffalo News Bills fans are very familiar with their favorite players and what happens on the field but few understand the business side of the game and what it took to keep the franchise here in Buffalo Mark Poloncarz s book gives the reader a seat at the bargaining table listening in on developments as Mr Wilson s representatives and governmental officials negotiate terms to keep Buffalo s football team playing here in Erie County High stakes decisions and relentless pressure run throughout Beyond the Xs and Os a book that shows Bills fans how the measures put in place by Poloncarz and others kept our beloved team here Thurman Thomas former Buffalo Bills running back and member of the Professional and College Football Halls of Fame Mark Poloncarz s book is an exhaustive meticulously detailed account of one of the most seminal moments in the history of Western New York All the better because it comes from original source material the person in the room and at the negotiating table It s required reading for those who care not only about the Bills but also about their impact on the region s future for decades to come The public owes Mark a debt of gratitude for making all this information public and for his hard work on a strong relocation penalty in the team s lease with the county it no doubt kept the Bills in Buffalo Luke Russert Washington DC based journalist political reporter and lifelong Buffalo Bills fan This book is a must read for those who want to know more about the business of professional sports It offers a rare peek into the intensity of stadium negotiations to keep a professional sports franchise in a city Mark Poloncarz has written a primer on what it takes to conduct hard nosed negotiations that protect the fan base and the community and on how he helped to keep the Bills in Buffalo It is an up close look for Buffalo Bills fans or for anyone interested in learning more about the business side of sports Andrea Kimball Vice President and General Counsel of the MLS soccer club Sporting Kansas City Enjoyable behind the scenes descriptions of the political dramas as well as personal and humorous anecdotes The subject is do or die for the vast majority of Bills Nation Nellie Drew University at Buffalo School of Law     **The Pro-Football Weekly Alanac** Richard Whittingham,Dick Whittingham,1994 For the first time the editorial team of Pro Football Weekly brings its wealth of knowledge and expert opinion together in one annual publication The Almanac offers a combination of the guides statistics facts stories and informed commentary that will make it the most read annual for pro football fans     [2006 NFL Record & Fact Book](#) Editors at the NFL,2006-07-25 The 2006 NFL Record Fact Book is a must for every football fan This 768 page
