Unforgiven Boss Laura Olsen, 2025-03-12 I spent the night with the man of my dreams and then he turned it into a nightmare Years living off the grid under a fake name would break anyone But I made it through thanks to the most precious gift he left me Our daughter Six years later I step into his office with revenge burning in my eyes And Samuel Denning takes

the bait and hires me on the spot After he destroyed my family and took everything It was time for payback His arrogance is matched only by his good looks and it is so damn hard to keep hating him And all the time we spend in his bed doesn t bring me closer to my revenge Seeing him with our daughter tears my heart apart and I can t go on like this But before I end all of it I need to answer one simple question Am I ready to choose between justice and happiness No cheating no cliffhangers HEA guaranteed Can be read as a standalone *Unbearable Boss* Laura Olsen, 2025-03-09 He gave me the best night of my life And then fired me without remorse Paul Woodring is a ruthless billionaire with a heart of stone and a body that makes me weak in the knees His six year old daughter is the only thing that softens him and I m the nanny he hired to make her smile Being a live in nanny in Woodring Manor has its perks But every time my boss summons me to his office I feel both excited and annoyed And the fact that we both still remember that spicy night doesn t make things easier between us Until he finally claims me as his own Now I live in a fairytale and it feels amazing to be guided by a man who has fifteen years of experience on me And spending time with his daughter doesn t feel like work at all But then things go too far and he throws me out of his manor and out of his life How can I forget the man who made me scream his name And how can I protect his daughter when she runs away to find me No cheating no cliffhangers HEA guaranteed Can be read as a standalone
