Human Behavior and the Social Environment, Macro Level Katherine van Wormer,Fred H. Besthorn,2010-10-11 A timely revision in this global age

Human Behavior and the Social Environment Macro Level develops a sophisticated and original view of the cultural global spiritual and natural worlds that people inhabit and the impact of these worlds on human behavior Its major new theme

sustainability emerges as a key characteristic of contemporary practice What is sustainable social work What are the characteristics of a sustainable community How is the present exploitation of environmental resources unsustainable for

future generations Following the greatest economic upheaval since the Great Depression how can we envision a sustainable economy that will benefit all the people not only the wealthy few Human behavior results from biological psychological socio

economic and cultural forces but the mental health field has placed the most emphasis on intrapsychic factors to the near exclusion of socio economic and cultural considerations This significant collaboration seeks to correct this omission by

helping students recognize patterns in the family culture and value systems in order to create safe and sustainable environments for their future clients The emphasis on sustainable and unsustainable social welfare programs is geared to

helping readers engage in advocacy for social justice Integrates up to date research findings models and government statistics Enhanced discussions of theory group dynamics family community and the environment Theoretical concepts and

practice implications in each chapter Highlights the importance of the natural environment and ecology the community of the earth to human and group behavior Sets forth a refined understanding of the role of spirituality the community of faith in

people's lives Focuses on evidence based theory and research Teaches from a global cross cultural perspective highlighting themes of empowerment and social justice Features dynamic readings personal narratives and photographs that highlight each chapter's topic Accompanied by an online instructor's manual with lecture presentations chapter summaries key terms suggested classroom activities and a test bank with essay and multiple choice questions at www.oup.com/us HBSE Don't miss the companion volume *Human Behavior and the Social Environment* Macro Level Second Edition which offers an eye opening view of how biological psychological and cultural forces influence individuals behavior [Human Behavior and the Social Environment, Macro Level](#) Katherine S.
