My Friend Muriel My Friends:

British Working Class women authors (born before 1962) a list Stefan Szczelkun ,2025-06-07 A collection of Wikipedia articles edited reformatted and with additions In chronological order References and sections on non literary activity are sometimes omitted hopefully not to the point of misrepresenting the author which might include feminist or political activism To my surprise the biographical material on Wikipedia was sometimes mesmerising although it was uneven Where there were gaps I have tried to fill them from other sources Refer back to the wikipedia articles for more context and references in some cases and if you have a verified source of information please update the Wikipedia article Wikipedia is published under a creative commons licence So this compilation also carries a creative commons licence Introduction Looking through Sarah Richardson s Writing on the Line 1996 I was struck by how many of the working class women writers were from North America and how many more were poets Howard Slater had made a list of British working class male novelists and I selected British woman writers from Writing on the Line and found that most of them now have Wikipedia pages I first made a list of links Wanting to take this further I first looked to focus on novels and short story writers but this category started to break up as many writers wrote in many idioms producing fact fiction poetry plays screenwriting and journalism I decided on an arbitrary cut off point of writers born before 1962 When I first made the list I was thinking how few working class women novelists had been published in this period But then the lists of books by each author started to stack up and there s plenty to read and much that I missed even really hearing about Of course it focuses on the most successful others who produced a community published autobiography or self published novel did not get a Wikipedia page and they should really be included every life counts Others only published an autobiography perhaps in the last years of life but were extraordinary writers and people We could also discuss the genre snobbery in literary circles that puts crime young peoples literature romantic and fantasy fiction and perhaps historical based narratives in a lower category than the novel **My Friend Muriel** Jane Duncan,2015-08-27 Janet Sandison made her bow in My Friends the Miss Boyds Jane Duncan s sparkling first novel Here she is again now a determined young woman of twenty with a University degree Taking a job with a cranky Pen Friend organization she meets Muriel Muriel is uncompromisingly plain but clings like ivy As the lively narrative unfolds Muriel s story and Janet s diverge and interlace again aided by a blushing curate an eccentric she dragon and her severely repressed husband by a shady confidence trickster and a suit of armour *Romance, illustrated, a complete weekly novelette* ,1899 **Belgravia, a London magazine, conducted by M.E. Braddon** Belgravia,1878

Reappraising Jane Duncan Rita Elizabeth Rippetoe,2017-03-04 Scottish novelist Jane Duncan s semiautobiographical My Friends series was dismissed by postwar critics as lightweight at a time when a coterie of angry young men monopolized the attention of the British publishing establishment Yet deeper themes are at play in the 19 novels Modern readers will recognize feminist motifs a wide ranging examination of women s education and work in the 20th century a woman s view of

the rising societal tensions of the 1920s and 1930s and an outsider's perspective on the racial divide in the soon to be independent West Indies This book explores Duncan's body of work out of print for decades though sought by loyal fans Her characters run the gamut drunken tinkers Lowland housewives Irish miners members of the London fast set and English marchionesses all portrayed with telling detail Her novels two of them recently reprinted for a new generation reveal a charming and perceptive recorder of the changes Great Britain underwent in the past century Gardening with Friends George Schenk,1992 Twelve years ago the author closed his wildflower nursery sold his home and became a sojourner in several places around the world where I have friends but no property of my own Yet he gardens with a passion wherever he goes and in all there are eight gardens from the Canadian Northwest to New Zealand that he has made his own

Millicent's children, a novel Baseley,1883 *The Knights of the Silver Star* Carmen Reed,1897 **The Scots Magazine** ,1969 **Belgravia** ,1878 **The Jewish Advocate** ,1880 A Strange World Mary Elizabeth Braddon,1875
The Publishers' Trade List Annual ,1890 THE SUNDAY AT HOME ,1879 Muriel's marriage, by Esmè Stuart
Amélie Claire Leroy,1887 **The Ladies' Home Journal** ,1949-09 **All the Year Round** Charles Dickens,1892 All the Year Round ,1892 **The London Journal: and Weekly Record of Literature, Science, and Art** ,1880 **The London reader of literature, science, art, and general information. [Continued as] The London reader** ,1888
