

BARACK OBAMA

January 28, 2020

Cori Ryan  
Bensalem, Pennsylvania

Dear Cori:

Thanks for taking the time to tell me about all the books you've been reading lately—I deeply admire Dr. Martin Luther King, Jr., and read a lot about him, too.

Your mom is right that the Obama Presidential Center will open in the future in Chicago. When it does, it'll be a place where bright kids like you can come have some fun making friends at the outdoor playground in the summer or on the sledding hill in the winter. You'll also be able to grow fruits and vegetables at the community garden, make music in the recording studio, shoot hoops at the athletic center, or gather with your family on the lawn for picnics and concerts. There will be a museum where you can learn more about the paths Michelle and I took, and a library where you can read more books about Dr. King.

But most importantly, the Center will be a place where you can hear the stories of people who have come together throughout history to change the world for the better, and—hopefully—learn how you can do it, too.

Thanks again for the kind note. It's clear you care a lot about the world around you, and Michelle and I can't wait to see what you accomplish in the years to come.

Your friend,

Dream big dreams!

A handwritten signature of Barack Obama, consisting of the letters 'Barack' and 'Obama' in a cursive script, enclosed within a large, roughly oval-shaped outline.
