My Life On The Plains:

My life on the plains or, Personal experiences with Indians George Armstrong Custer,1874 *My Life on the Plains* George Armstrong Custer,2019-10-16 An officer and cavalry commander during the Civil War and Indian wars General George Armstrong Custer 1839 76 was well known in his lifetime for his personal daring and his aggressive approach to warfare After his last stand in 1876 he was even more famous as the commander who led his entire unit to annihilation by a massive coalition of Native American tribes at the Battle of the Little Bighorn A few years before the fatal clash Custer published a series of reminiscences concerning his participation in the U S Army s 1867 69 campaigns against the Plains Indians The evocative accounts written during one of Custer s semiretirements rather than from the field tell of marching camping furious firefights and ruthless slaughter on both sides In addition to its value as a document of military history this book offers fascinating insights into the notorious general s character from his enthusiasm for self mythologizing to the rash behavior that led to his demise
