## **My Life With Xaviera The Happy Hooker:**

**My Life with Xaviera, "The Happy Hooker"** Larry, 1974      **My Life with Xaviera "the Happy Hooker"** Larry (the "Silver Fox."), 1974      The Happy Hooker Xaviera Hollander, 2002-06-04 How did you first learn about sex If you grew up in the 1970s it may have been from a gleefully lusty tour guide named Xaviera Hollander In the late 1960s that era of sexual chaos when Playboy Clubs and love ins were competing for national attention a beautiful intelligent young Dutch secretary named Xaviera de Vries moved to New York grew swiftly tired of her desk job and soon became the most visible and glamorous madam the city had ever seen As Xaviera Hollander she published a shockingly candid account of her life behind the brothel door *The Happy Hooker* shot straight to the top of the bestseller lists sold more than fifteen million copies and made this enterprising young woman an international phenomenon Thirty years later these delightfully explicit tales of the 60s and 70s swingers scene including countless jaw dropping stories of lesbianism bondage fetishism and more remain as titillating as ever charged with the mix of shrewd observation and uninhibited appetite that made Hollander an irresistible storyteller *The Happy Hooker* is a classic the world's greatest book on the world's oldest profession      **Child No More** Xaviera Hollander, 2011-07-19 In the bestselling *The Happy Hooker* and subsequent books Xaviera Hollander became famous for her unforgettably candid and racy stories of life as a New York madam catering to a sophisticated international clientele during the 1960s and 70s Yet this remarkable woman's sexual escapades form only a part of her own remarkable life story a story she reveals for the first time in the pages of this literary memoir *Child No More* It was a life begun in terror Two months after her birth young Xaviera de Vries and her mother were confined in a prison camp during the WWII Japanese occupation of Indonesia her father a doctor was imprisoned in another camp Two years later summoned to treat a sick child he operated on his own daughter without realizing her identity But that story is just the start of an extraordinary memoir in which she traces her own life and sexuality as it was influenced by the example of her parents her father a dapper and witty Jewish psychologist and intellectual her mother the gorgeous daughter of conventional German parents and a target of Nazi enmity for her association with a Jew With breathtaking but entirely characteristic frankness Xaviera revisits how her parents' own tempestuous relationship and her father's licentious lifestyle shaped her own life story As she chronicles her eventual departure for New York her entree into the world of prostitution and her years of international celebrity she reveals for the first time how her parents' lives continued to entwine with her own as she endured years of separation from her father and even stood by her mother as she entered a fulfilling lesbian relationship in the last years of her life Told in the utterly frank and unquenchably inquisitive voice that marks all her work yet from an entirely new and ultimately more honest perspective *Child No More* recounts a surprising and ultimately uplifting voyage of discovery through three lives      **The Year of Loving Dangerously** Ted Rall, 2019-04-15 Here's a new turn for the controversial cartoonist and commentator Ted Rall Not only is this autobiographical but he has paired up with the acclaimed artist of *Bluesman* and *The Castaways* for fully painted art It's

the eighties and Ted is in college in New York City and slipping His pranks lack of focus and restlessness get him kicked out of school Unable to find a job rejected by his parents he is on the verge of suicide Instead he finds comfort in the arms of many women he meets casually and puts up a front for Hey better than being homeless and begging but then is it It may sound like an ideal grift but the toll is much higher than one may imagine Between acidly funny and disturbingly real Rall a cartoonist whose work has alienated half the world pours out his guts on a hard turning point in his life Callejo adopts a new fully painted color style for this work showing his versatility
