My Name Is Mina:

My Name is Mina David Almond, 2013-11-14 There's an empty notebook lying on the table in the moonlight. It's been there for an age. I keep on saying that I'll write a journal. So I'll start right here right now. I open the book and write the very first words. My name is Mina and I love the night. Then what shall I write? I can't just write that this happened then this happened then this happened to boring infinitum. I'll let my journal grow just like the mind does just like a tree or a beast does just like life does. Why should a book tell a tale in a dull straight line? And so Mina writes and writes in her notebook and here is her journal. Mina's life in Mina's own words her stories and dreams experiences and thoughts her scribbles and nonsense poems and songs. Her vivid account of her vivid life. In this stunning book David Almond revisits Mina before she has met Michael before she has met Skellig. Shortlisted for the 2012 Carnegie Medal. *Ismi Mina (My Name is Mina)* David Almond, 2013-08-15 While everyone else is in a deep slumber Mina gazes out the window witness to the moon's silvery light. In the stillness she can even hear her own heart beating. It is then that Mina feels that anything is possible and her imagination is set free. On the table lies a blank notebook. It has been there for what seems like forever. Mina has declared in the past that she will use it as a journal and finally she begins to do that one night Mina makes discoveries both trivial and profound as she writes about herself and her world her thoughts and her dreams. **Scholastic** David Almond, 2011-09-01 From the winner of the Whitbread Children's Book Award the Carnegie Medal and the 2010 Hans Christian Andersen Award comes the extraordinary prequel to the award winning Skellig.
