My Time In Heaven Richard Sigmund:

My Time in Heaven Richard Sigmund, 2009-12-14 Is there life after death After a tragic accident doctors pronounced Richard Sigmund legally dead Eight hours later God miraculously brought him back to life on the way to the morgue During those hours God allowed him to experience the glorious beauty heavenly sounds sweet aromas and boundless joys of heaven that await every believer God then returned him back to earth with a mission to tell the world what he saw You will thrill to Sigmund s eyewitness accounts of strolling down heaven s streets of gold seeing angels playing with children talking with Jesus meeting with people from the Bible as well as departed family and friends seeing the mansions and much more Through Sigmund s testimony God restored sight to the blind hearing to the deaf and even raised several people from the dead Also glimpse into the horrifying reality of the other place a place where no one wants to go **Our Last Day and the**

Return of Christ James Williams, 2024-09-03 This book is intended to clear up many of the misconceptions being carried by the organized church for the last two thousand years Many of these misconceptions have been put into place on purpose The early Church Fathers felt the need to distance themselves from the Hebrew Bible and changed dates and church traditions to bring about what people understand today The pages of this book hold the key to understanding the truth about things to come Have you ever asked yourself or someone else why Jesus says he is coming soon but it s been two thousand years You will find the answer to that question in the pages of this book You will discover what the book of Daniel was told to shut up is and why he was told to do this The truth about the last days is simpler than you think and God s glorious mystery is now become clear **The Wow of His Word** Edwina Doyle, 2015-05-21 The Wow of His Word answers tough questions about

Christianity and the Bible while explaining why the Bible is the handbook for happiness While sharing her own spiritual journey the author shares fascinating stories of martyrs missionaries reformed atheists revivals and miraculous healings that will spark faith in unbelievers and rekindle that of believers **Heaven 3.0** Michael L. Mathews, 2012-09-06 If you have ever hoped that you could see or experience aspects of heaven while on earth then Heaven 3 0 is the book for you Heaven has begun reigning down Gods messages glory and revelation as every day circumstances allow people to witness God promises about heaven Consider just two facts matched against Gods promises 1 every day in the world over 770 people witness a glimpse of heaven through a near death experience and 2 Millions of people around the world have switched their religious beliefs based on a heavenly dream they experienced Documented stories like these allow humanity to touch heaven and see another generational cycle of truth about heaven Heaven 3 0 allows readers to realize we are entering a 3rd generation of knowledge about the greatest place know to every person who has and will walk planet earth and that place is called heaven Heaven 3 0 will challenge delight and inform every reader about their opportunity to enter into full view of Gods promises God informs us to watch for signs and wonders in the heavens Acts 2 19 and that the Heavens would open up and rain down righteousness Isaiah 45 8 Heaven 3 0 allows readers to enjoy the promise of heaven and realize that the advances of the

world are not just for physical things such as technology media and entertainment but also for the things that pertain to the Kingdom of Heaven Both Heaven as well as earth advance and the Author of Heaven 3 0 encourages you to see and believe in the advancement while staying connected to scriptural truth This advancement allows anyone who is willing to see and believe that the common ground and destiny called heaven was prepared for people of every tribe tongue and nation A Call to War Daniel Boyer,2023-03-29 A Call to War is more than a battle cry it is a call by God for each one of us to enlist in His Army and surrender to His Lordship It is time to stand strong in the the truth of the Word of God and reject Satan s lies and deception that are so prevalent in today s society It is time to relentlessly resist and defeat the kingdom of darkness with the spiritual weapons that God has entrusted unto each one of us We are called to take up the mantle of a soldier of God and walk in the authority and power of the Holy Spirit We are encouraged to preach the gospel message heal the brokenhearted preach deliverance to the captives recover sight to the blind and set at liberty those that are bruised just as Jesus did The challenge has been set before us now is the time to go forth boldly and finish the race that He has set before us written to help all of us better understand the truth of the Word of God and how it can be applied to our lives today and to reveal the inroads that Satan and the kingdom of God have made into society today It is a call to repentance and a turning away from deception and false teaching of doctrines that many have been entangled in It is designed to allow the light of God s truth to permeate our minds and hearts and to eradicate the lies that Satan has woven into our lives and especially into society today It is meant to equip us with the spiritual weaponry that we need to successfully fight the kingdom of darkness with the full authority and power of the Holy Spirit who lives within true believers in Christ Jesus has won the victory on the Cross at Calvary we simply need to apprehend that victory for our personal lives Before Creation, Planet Life, After Life Donzella Ervin,2022-01-04 The purpose of this book Before Creation Planet Life After Life is to cause readers especially Christians to search for a broader perspective of Scriptures referencing man s existence before and after death I hope this work will initiate more thought as to when where and how we fit into God s mind and final plans for us If we embark upon this search looking at Scripture through traditional lenses we will miss seeing the things of God by the faith of God He is the one who invited us saying If any man lacks wisdom knowledge on any subject let him ask of God who gives to all men liberally holds nothing back from us Yet there are many church leaders who warn their parishioners against asking God questions concerning those things which plague their souls even though the book of Job is a good example that God is not intimidated by our questions Considering Job s experience and reverence for God while searching for answers I believe the result of our seeking and asking will bring us the comfort and steadfastness that we so desperately need in our times of sorrow and disconnectedness It may give us that blessed assurance that we have been are and will be forever with the Lord We re not strangers to Him because He said that He chose us in Him knew us before the foundation of the world was laid Ephesians 1 4

Inventing Afterlives Regina M. Janes, 2018-07-31 Why is belief in an afterlife so persistent across times and cultures And how can it coexist with disbelief in an afterlife Most modern thinkers hold that afterlife belief serves such important psychological and social purposes as consoling survivors enforcing morality dispensing justice or giving life meaning Yet the earliest and some more recent afterlives strikingly fail to satisfy those needs In *Inventing Afterlives* Regina M Janes proposes a new theory of the origins of the hereafter rooted in the question that a dead body raises where has the life gone Humans then and now in communities and as individuals ponder what they would want or experience were they in that body From this endlessly recurring situation afterlife narratives develop in all their complexity variety and ingenuity Exploring afterlives from Egypt to Sumer among Jews Greeks and Romans to Christianity s advent and Islam s rise Janes reveals how little concern ancient afterlives had with morality In south and east Asia karmic rebirth makes morality self enforcing and raises a new problem how to stop re dying The British enlightenment Janes argues invented the now widespread wish fulfilling afterlife and illustrates how afterlives change She also considers the surprising afterlife of afterlives among modern artists and writers who no longer believe in worlds beyond this one Drawing on a variety of religious traditions contemporary literature and film primatology cognitive science and evolutionary psychology Janes shows that in asking what happens after we die we define the worlds we inhabit and the values by which we live [A Place Called Heaven](#) Richard Sigmund, 2004-03-01 Healing Evangelist and child minister Little Richard was in a car accident and was dead for approximately 8 hours During that time he toured heaven He saw mansions memorials Diadem trees vast libraries and the books including the Lamb s Book of Life I saw my name in three inch gold letters outlined with red crimson The angels took him to his appointment with God and he talked to Jesus He was also shown the horror of the other place Jesus told him he had to come back to tell us about that place and a glorious place [A Place Called Heaven](#) [The Art of Acting](#) Carlton Colyer, 1989 Anyone who is really serious about being an actor or teaching true acting techniques needs this book Leading professionals believe it will be one of the best acting texts ever published The author has performed on stage film and TV opposite many of theatre s leading actors and actresses In a step by step process Carlton Colyer leads the actor
