**Strong Ground** Brené Brown, 2025-09-23 1 New York Times bestselling author Bren Brown returns with an urgent call to reimagine the essentials of courageous leadership In a time when uncertainty runs deep and bluster hubris and even cruelty are increasingly framed as acceptable leadership Brown delivers practical actionable insights that illuminate the mindsets and skill sets essential to reclaiming focus and driving growth through connection discipline and accountability Over the past six years Bren Brown along with a global community of coaches and facilitators has taken more than 150 000 leaders in 45 countries through her Dare to Lead courage building work In Strong Ground Brown shares the

lessons from these experiences along with wisdom from other thinkers This is a vital playbook for everyone from senior leaders developing and executing complex strategies to Gen Z ers entering and navigating turbulent work environments It is also an unflinching assessment of what happens when we continue to perpetuate the falsehood that performance and wholeheartedness are mutually exclusive With equal amounts of optimism and caution about AI Brown writes I hear a lot of experts trying to soothe people s anxiety about the pace of technological change by offering platitudes like What makes us human will ensure our relevance This is dangerous simply because right now we re not especially good at what makes us human We re not hardwired for this level of uncertainty and many of us feel as if the constant need to self protect is driving the humanity right out of us This is why organisational transformation today must foster deep connection deep thinking and deep collaboration We need the courage to lead people in a way that honours and protects the wisdom of the human spirit Brown offers a broad assessment of the skill sets and mindsets we need moving forward including the capacity for respectful and difficult conversations increased productive urgency and smart prioritisation rather than reactivity strategic risk taking paradoxical thinking and situational and anticipatory awareness skills She identifies the toughest skill set as the discipline humility and confidence to unlearn and relearn Brown writes Individuals and organisations are building new muscles Finding our strong ground that athletic stance is the only thing that can provide both unwavering stability in a maelstrom of uncertainty and a platform for the fast explosive change that the world is demanding **USA Today Index** ,1994
