Condrey,2019-08-21 Written primarily for new Christians this discipleship oriented book is designed to help people lay a biblical foundation in six weeks In Psalms 11 3 David wrote If the foundations are destroyed what will the righteous do A solid biblical foundation is key to long term spiritual success With this goal in mind this book is uniquely formatted to encourage the reader to interact with the Bible spend time with God daily meet with a mentor or small group and explore topics that are vital to cultivating a biblical worldview **Heaven** Myk Habets,2018-06-04 What if heaven is more real physical exciting and compelling than anything we have ever heard And what difference would it make Myk Habets takes readers on a journey of discovery into what God has in store for those who love him Forget playing harps on

fluffy clouds The reality of what God has in store for us will change the way you live work and play Habets answers a series of questions about heaven that are asked by children and addresses things we all want to know but are often too afraid to ask Written in easy to read language and incorporating insights from some of the best Christian novelists Habets explains the meaning of a Christian imagination and how it can be put to work in creating a vision of the future that results in a life characterized by faith hope and assurance This book appeals to all who want to know what the Bible says about life after death and finds a way to make it understandable to others It may even make you laugh out loud along the way The Free System Corollary Peter J. Morgan,2019-08-13 Everyone has experienced pain No one is immune from loss and suffering With all of the evil in this world how can anyone rationally believe in a good and loving God People who believe in God experience intense evil yet they still retain their faith claiming that God helps them in times of need Still others claim that this same evil is proof that God does not exist that if God were real he would limit the suffering If you have ever thought that it seems that things should be a certain way that you are inclined toward believing or not believing in God because of the existence of evil you are part of the conversation of the abductive problem of evil This book does more than just explore what modern philosophers on both sides of the aisle have claimed about God and evil It also illuminates an intricate world that is crafted for people having free will for people who make moral choices For it is within the realm of this intricate world that we may find the answers we seek A Year with C. The Four Loves C. S. Lewis, 2020-05 A repackaged edition of the revered author's classic work that examines the four types of human love: affection, friendship, erotic love, and the love of God. Part of the C. S. Lewis Signature Classics series. C. S. Lewis, the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics, contemplates the essence of love and how it works in our daily lives in one of his most famous works of nonfiction.
