Message Joshua Bible Speaks Today:

The Message of Joshua David G Firth, 2021-12-16 The book of Joshua tells the action packed story of Israel's entry into and conquest of Canaan the promised land Yet it is often troubling for contemporary Christian readers perhaps more than any other part of the Old Testament isn't the violence shown inconsistent with the gospel of Jesus In *The Message of Joshua* David G Firth explores this story as part of God's mission which goes on to find its ultimate focus in Jesus Christ He illuminates the meaning that the book of Joshua still has for Christians today it challenges us just as it challenges those who have read it down through the ages to recognize that God not only includes those who join him in his mission he also excludes those who choose to set themselves against it Part of the loved and trusted *The Bible Speaks Today* series of commentaries *The Message of Joshua* offers an clear readable exposition of the Biblical text and thought provoking discussion of how its meaning relates to contemporary life Used by Bible students and teachers around the world *The Bible Speaks Today* commentaries are ideal for anyone studying or preaching Joshua and who want to delve deeper into the text This beautifully redesigned edition has also been sensitively updated to include modern references and use the NRSV Bible text *The Message of Joshua* will help for anyone looking for a commentary on Joshua that makes clear its meaning both in its original context and for Christians in the twenty first century *Themelios*, Volume 41, Issue 2 D. Behold Your King Anthony Robert Petterson, 2019-06-27 This book investigates the nature of the hope for the house of David in the final form of the book of Zechariah It focuses particularly on the following themes the roles of Joshua and Zerubbabel the nature and identity of the Shoot the coming King the Shepherd and the Pierced One It challenges the scholarly consensus going back to the thesis of Julius Wellhausen that the high priest took over the role and prerogatives of the pre-exilic monarch in the early post-exilic period Instead Zechariah merely envisages Joshua the high priest being reinstated to the temple duties that were undertaken before the exile Furthermore Zechariah does not identify Zerubbabel as the promised future Davidic king Shoot Rather Zechariah demonstrates a hope for the restoration of a Davidic king who will have a key role in temple building after the time of Zerubbabel The belief that Zechariah 9:11 and 12:14 are oracles that seek to reinterpret prophecies that have become problematic is also challenged There is no strong evidence that the hope for the house of David in Zechariah 9:14 contradicts the presentation of Zechariah 1:8 This thesis shows how these later chapters continue and develop many of the themes related to the Davidic hope in Zechariah 1:8 The picture of the Davidic hope that emerges from the book of Zechariah is consistent with the expectations of earlier prophets and confirms that the book when read as a whole provides a strong impetus for later messianism in the post-exilic period

Samson X-File Hongkil Lee, 2024-06-08 Many Christians grew up learning about Samson through Bible studies and sermons yet confusion remains Traditional narratives reflect Samson as a flawed hero or a failed judge yet many interpretations provide more confusion than clarity Samson X-File Identity Faith Struggle and Divine Purpose introduces a pivotal shift in understanding this biblical character focusing on Samson's life primarily from the standpoint of his lifelong Nazirite vow Samson X-File goes beyond the simplicity of success and failure instead exploring the profound implications of Samson's dual calling by God as both a Nazirite and a judge It poses a critical question Why did God choose Samson to embody these seemingly paradoxical roles The story of Samson is my story and your story Samson X-File will challenge readers how to live as a Christian in today's generation Samson X-File will help readers gain a sense of calling as His chosen children and our purpose in life

The Gender Agenda Elisabeth Goddard, 2012-12-17 In an age when men can be nurses or stay at home dads and women can be pilots or business managers there are few areas left where gender alone determines what a person can and cannot do Yet different models still exist in Christian ministry Some denominations contend that certain areas of church life should be the preserve of men alone while others allow full access to all areas for both sexes But which is right In this compelling email exchange Lis Goddard and Clare Hendry search the Scriptures for guidance on the roles of women and men in church leadership today Against the busy backdrop of
