,1991 **California in a Time of Excellence** James Andrew LaSpina,2009-02-26 California in a Time of Excellence follows
the Golden State s efforts to reform its public school system from 1983 to the present Beginning with progressive curriculum
reform initiatives that were launched even before the National Commission on Excellence in Education NCEE issued A
Nation at Risk in 1983 James Andrew LaSpina traces these reform efforts through recurring culture wars major clashes of
personality and a conflict between the state s tradition of progressive educational policy and a culture of conservatism that
colored much of the so called Left Coast s history since the sixties While the battles over curriculum reform in California
reflect those at the national level the political world surrounding this conflict reveals the enormous significance of the
conflict and its implications for our national future **Teaching Reading in the Middle Grades** Susan Abbott,1999
Designed to provide instruction that builds literacy skills by accomodating and supporting the reading needs and abilities of
each student **Social Studies Curriculum Resource Handbook** ,1992 **Creating Reading Instruction for All**
Children Thomas G. Gunning,1996 This book will not tell you how to teach reading Teaching reading is in large measure a
matter of making choices Should you use basal readers or children s books or both Should you teach children to read whole
words or to sound out words letter by letter or both Should you have three reading groups or four or no groups There are no
right answers to these questions The answers depend on your personal philosophy your interpretation of the research the
level at which you are teaching the kinds of students you are teaching community preferences and the nature of your school

field Beyond the Reef ,1993 *A Message of Ancient Days* ,2003 Books in Print Supplement ,2002 *Revisiting*
Aspect and Aktionsart Francis G. H. Pang,2016-02-02 In *Revisiting Aspect and Aktionsart* Francis G H Pang employs a corpus
approach to analyze the relationship between Greek aspect and Aktionsart Recent works have tried to predict the meanings

that emerge when a certain set of clausal factors and lexical features combine with one of the grammatical aspects Most of these works rely heavily on Zeno Vendler's telicity distinction Based on empirical evidence Pang argues that telicity and perfectivity are not related in a systematic manner in Koine Greek As a corollary Aktionsart should be considered an interpretive category meaning that its different values emerge not from the interaction of only one or two linguistic parameters but from the process of interpreting language in context

Working with Uncertainty for Educational Change Carmel Conn, Bethan Mitchell, Matt Hutt, 2024-09-24 Working with Uncertainty for Educational Change explores the liberating possibilities for those who seek to embrace existing research into uncertainty and complexity at diverse levels in the world of education The lives of education professionals are built upon a multitude of decision making events that frame each working day With a range of expert contributors this insightful book brings together varied perspectives on the nature of complexity within educational contexts focusing particularly on the emotional work involved in change Organised into two major parts its first part focuses on the intellectual challenge of thinking about uncertainty by exploring the dominant discourses of certainty in the field of education The second part on the other hand considers how we can embrace uncertainty within practice by exploring conditions that support reflection agency and acceptance of ambiguity Presenting themes on a wide range of educational issues including curriculum pedagogy equity leadership and professional learning this book will appeal to teachers educational leaders practitioners and researchers as well as students on undergraduate and postgraduate programmes with an education focus
