## **Messianic Judaism Is Not Christianity A Loving Call To Unity:**

**Messianic Judaism is Not Christianity** Stan Telchin, 2004-09-01 The apostle Paul wrote that all believers Jewish and Gentile are to serve the Lord together as one new man But a growing movement today seeks to keep that from happening As Stan Telchin explains proponents of Messianic Judaism are confusing both Jewish and Gentile followers of Jesus and dividing the church Their insistence on following rabbinic form and their statements that Jewish believers need to be in Messianic synagogues in order to maintain their identities are unbiblical Telchin discusses the growth of this movement its unscriptural doctrines and its ineffectiveness in Jewish evangelism Those who have been swept up by the nostalgia and beauty of Jewishness or who have been hurt by division in the Body or who love Israel will find their hearts and minds freed by this firm but loving message

**Christianity and Rabbinic Judaism** Jonas E. Alexis, 2013 Our way must be never knowingly support lies Having understood where the lies begin step back from that gangrenous edge Let us not glue back the flaking scale of the Ideology not gather back its crumbling bones nor patch together its decomposing garb and we will be amazed how swiftly and helplessly the lies will fall away and that which is destined to be naked will be exposed as such to the world Alexander Solzhenitsyn Enlightenment writer Voltaire was amazed that twelve fishermen some of them unlettered from an obscure place in the world called Galilee challenged an empire through self denial and patience and eventually established Christianity He seriously thought that twelve philosophers or intellectuals himself included would do the opposite and crush Christianity Voltaire s self appointed cheerleaders such as Diderot Helvitius d Holbach D Alembert Lametrie and Baron Cloots among others tried to do just that and wrote volumes of work trying to tear down the basis of Christianity and erect an edifice of their own Diderot in particular declared I would sacrifice myself perhaps if I could annihilate forever the notion of God Cloots wrote We shall see the heavenly royalty condemned by the revolutionary tribunal of victorious Reason Lametrie produced *Man A Machine* and an entire French encyclopedia was written between 1751 and 1772 by those philosophers because Christianity to a large degree had to go Voltaire would send letters to his disciples and friends saying *crasez l inf me* Rousseau of course was a disciple of Voltaire and declared that Voltaire s work inspired me The French Revolution failed Yet like all significant revolutions before and after that period the French Revolution indirectly had a theological root which was then a categorical and metaphysical rejection of Logos That theological substratum has jumped from one era to the next and had and still has historical political economic and spiritual ramifications This book is about the historical and theological struggle of that conflict which had its inception at the foot of the cross

*Apostates, Hybrids, or True Jews?* Raymond Lillevik, 2014-07-03 This book explores the relationship between Christian faith and Jewish identity from the perspective of three Jewish believers in Jesus living in eastern and central Europe before World War 1 Rudolf Hermann Chaim Gurland Christian Theophilus Lucky Chaim Jedidjah Pollak and Isaac Ignatz Lichtenstein They were all rabbis or had rabbinic education and were in different ways combining their faith in Jesus as Messiah with a Jewish identity The book offers a

biographical study of the three men and an analysis of their understandings of identity This analysis considers five categories for identification the relation of Gurland Lucky and Lichtenstein to Jewish tradition to the Jewish people to Christian tradition to the Christian community and to the network of Jewish believers in Jesus Lillevik argues that Gurland Lucky and Lichtenstein in very different ways transcended essentialist as well as constructionist ideas of Jewish and Christian identity

Betrayed! Stan Telchin,2007-06-01 Betrayed is the page turning account of a loving Jewish family caught on divergent prongs of a historic conflict When Stan Telchin s daughter accepts Jesus as her Messiah she makes a touching plea for him to search out the truth for himself Intending to prove her wrong Telchin sets out on a vigorous and critical examination of the claims of Jesus Christ He is astonished at what he learns and finds himself facing a wrenching and life changing decision As readers travel with Telchin they too will discover a deeper fuller awareness of both Judaism and Christianity as well as how God can heal wounds from the bitterest conflicts Even more readers will discover the inexorable power of the gospel This new edition includes an update from the author and wisdom filled words on Jewish identity Mapping Messianic Jewish

Theology Richard Harvey,2009 Richard Harvey himself a Messianic Jew maps the diverse theological terrain of this young movement He makes an original and innovative contribution by clarifying affirming and constructively critiquing the present state of its theology The book examines five topics of theological concern God s nature activity and attributes can the one God of Israel and the Christian Trinity be the same The Messiah Messianic Jewish Christologies Torah in theory the meaning and interpretation of the Torah in the light of Jesus Torah in practice Messianic practice of Sabbath food laws and Passover Eschatology the diverse models employed within the movement to describe the future of Israel Within each topic Harvey explores the range of Messianic Jewish views and their roots in both Jewish and Christian theological traditions The author proposes a typology of eight theological tendencies within Messianic Judaism and identifies issues where further theological development is required **Charisma and Christian Life** ,2004-07 **Unity** ,1899 Faith Reads David
