I Met God in Hell Tim Ehmann, 2015-11-01 On September 1 2000 Tim Ehmann a wild thirty five year touring rock n roll musician steeped in the underground entertainment industry overdosed from shooting too many successive speedballs of heroin and crack He collapsed and died in his upstairs bedroom Within moments he found himself in a place of inconceivable horror and absolute terror at the very gates of hell To his shock Tim heard and saw many of the old friends he had played and partied with over the years who had previously died untimely deaths from those wild decades Fully knowing his just fate lost for eternity unexpectedly God met Tim in hell and pulled him up into His protective arms and into the wonders of heaven Tim was shown his calling and destiny and resurrected seven hours later This miracle packed book reveals a God whose love proves so outta control that He continually chased and supernaturally protected a man bent on destruction through countless surreal situations with no other possible explanation for his survival Since that day Tim has been experiencing God with ongoing explosive encounters while being led on many dangerous and sometimes comical front line adventures with God Tim Ehmann has a unique friendship with God that shows just how fun and exciting God and heaven can be

I Was Born to Destroy Hell Tim Ehmann, 2018-10-30 I Was Born to Destroy Hell is the second book of Tim Ehmann Like his first book I Met God in Hell Tim Ehmann gives us an even more brilliant description of Heaven focusing on new revelation and on the ancient truths of Jesus This book gives a more accurate detail on the appearance of Jesus and all of heaven but most important the heart of God A Continuing theme with his first book Tims message is of a true love affair with the Lord Jesus which of course is our salvation Tim devotes several chapters of the new book I Was Born to Destroy Hell to uncommon miracles and the 3rd Great Awakening When Jesus appeared to Tim and saved him at the very gate of hell on September 1 2000 the last words of that 8 hour conversation was Timmy I saved you Now you Go and save my Children So needless to say there are many new

and thorough descriptions of heaven and of course hell which has been on the heart of Tim Ehmann to release to the world This ministry is a miracle ministry it started with this miracle and we have seen miracle ever since There is also a couple of chapters on the Christian music market and a rare insight on the entertainment industry This book is a great revelation for the saved and the unsaved for the mature in the Lord and for a brand new convert The graphic descriptions of the horrors of hell and what Tim Ehmann saw is well worth the price itself but what i like the most is the accurate descriptions of Jesus ever written and the spiritual laws of heaven There are several chapters devoted to teaching on the gifts on the faith walk and of course the most important subject salvation Without that nothing else matters Jesus said I am the Way the Truth and the Life no man comes to the Father but through me Without this basic truth there is no salvation This book shows you the outrageous and out of control Love of Jesus for each and every one of us It s the love of God that brings us to salvation and this book shows you in how many different ways JESUS speaks to us and shows us the way back home to heaven Realize through your own life how many times God perfomed miracles to get your attention Know the day of your salvation Come and Join us in Heaven Tim Ehmann Website www.TimEhmannProductions.com Gems Beneath the Coals of Fire Grizelda Comulada,2025-06-07 Gems Beneath the Coals of Fire is a poetic masterpiece that will ignite your soul with a fresh perspective on life s challenges As you delve into these pages you ll discover familiar biblical narratives intertwined with my personal experiences creating a tapestry of inspiration that can be captivating like a cinematic masterpiece These stories rooted in real life events will empower you to see beyond the chaos and find hope in the most unexpected places They re like a divine trailer leaving you eager to explore and stretch your faith in the grand narrative of our Creator who is perfect love Along with His son who is the timeless Author of life who is ready to enrich His children with an inheritance that has been set aside for those who have believed blessed is he that believes in me and has not seen me John 20 29 God isn t merely a distant figure He s intimately involved in every detail of your life yearning for a deep connection with you through the wonderful works of His divine Holy Spirit Are you ready to set aside your worldly distractions and tune into His spirit As Jesus said He that hath ears to hear let him hear Matthew 11 15 **Real Estate Record and Builders' Guide** ,1896 Forthcoming Books Rose Arny,1998 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 Hell Timothy Pitts,2022-08-01 Most Christians have at one time or another wondered what heaven will really be like But what about hell Have you ever wondered what the place prepared for the devil and his followers will be like Do the countless cartoon drawings we ve all seen accurately portray what hell is really like Or has the humorous content of those cartoons confused us as to what it is really like and subtly removed our revulsion for such an awful place Most of us would rather not think about hell but if it was important enough for Jesus to discuss then maybe we should take another look at this unpleasant topic A clear understanding of hell can and should be a powerful motivator for obedience to Jesus final command to go and make disciples and thus play a part in saving as many as possible from an eternity separated from God In his book Hell Shedding

Light on a Dark Place author Timothy Pitts uses a laid back easy to read style to provide a biblical look at what hell will be like You ll discover that the main thing about hell while a truth that is a simple no brainer has far reaching implications As you read ask God to change your heart and to give you a greater compassion for those who are rushing through life towards such an awful fate **All You Want to Know About Hell** Steve Gregg,2013-11-12 All You Want to Know About Hell breaks down the three most popular views on hell and tells us what the Bible really says about this terrifying and mystifying place It is an undeniable fact that the very concept of hell is shrouded in mystery We know what books and movies tell us hell is like but we re left with so many questions Is hell simply a place where sinners are sent to suffer for their sins or is it more than that How could a loving God send anyone to hell Does the Bible give us a clear and consistent picture of hell What does the existence of hell tell us about God s character Steve Gregg author of Revelation Four Views will take you on a tour of the three most popular views on hell and walk you through a clear explanation of what Scripture really says From the traditional view of hell as a place of eternal torment to the early Christian view that hell is a place of suffering intended to purge sin and to bring about repentance no other book gives such in depth biblical insight into the truths about hell that are hidden in all the hype All You Want to Know About Hell is an accessible and interesting read for laypeople pastors and scholars alike

Where the Hell Is God? Richard Leonard, S.J.,2014-05-14 Combines professional insights along with the author s own experience and insights to speculate on how believers can make sense of their Christian faith when confronted with tragedy and suffering **Heaven Hell** Tim Thomas,2012 The goal of this book is very simple to awaken the complacent to the terrors associated with eternal damnation When it comes to the topic of Heaven and Hell there are no shades of gray It s either white or black By not making a conscious decision to accept Jesus Christ as one s personal Lord and Savior by default one has accepted an eternal death sentence The book attempts to make the case for Jesus Christ in simple but compelling terms God fully intends for us to enjoy our short earthly existence but it s imperative that we have a clear sense of priorities Knowing that your eternal destiny is secure should be the highest priority of every human being **Erasing Hell** Francis Chan,Preston M. Sprinkle,2011-07-01 Addressing a variety of views on hell the Bible and the character of God offers an eloquent response to the recent media storm surrounding questions of eternal destiny

When Orpheus the legendary musician poet and prophet had his head torn off his shoulders and thrown into the river Hebrus he kept singing as his head was carried along by the strong current. It's impossible to kill off some voices. Sometimes the dead don't realize they're dead. God is dead but doesn't know it. His morality is dead with him but all across the world people still hear morality's ghostly voice and mistake it for something real and objective. Some people believe that God is the center of the moral universe. In fact God is not moral at all. In this book we rationally explore how it is impossible for either God or the Devil to serve any moral role whatsoever. Some people believe in moral realism, moral objectivism, the claim that objective moral facts and moral values exist like Platonic Forms independently of our perception of them or our feelings, beliefs, opinions or subjective attitudes towards them. Moral facts are deemed as real as mathematical facts and moral judgments as certain as mathematical proofs. In fact only mathematical facts are real. All other facts are manmade interpretations. As Nietzsche said: There are no facts, only interpretations. There are no moral phenomena at all but only a moral interpretation of phenomena. Mainstream religion and its attendant morality is the biggest possible misinterpretation of mathematical reality. People would behave entirely differently if they realized they inhabited a mathematical universe engaged in solving itself rather than a moral universe offering them a binary choice of heaven or hell or positive or negative karma. Reality is about the optimization of knowledge of understanding of reason and logic. It is not about the optimization or minimization of good or evil which are just subjective human terms and labels. As Oscar Wilde said: Morality is simply the attitude we adopt towards people we personally dislike. You would think that for a father to kill his son for no reason would seem to everyone to be an incontestable objective moral crime yet the Christian God ordered Abraham to murder Isaac and Abraham immediately agreed to do so. This unforgivable monster, an infernal father if ever there was one, is celebrated by three world religions and billions of people as a moral paragon, someone to be admired and emulated. That demonstrates that either these people have no moral compass and no moral sensibility at all or all moral facts are anything that people want them to be, anything that serves their selfish agenda which can never be a moral agenda by any conventional definition of morality, i.e. morality can never be that which you do because it suits you regardless of others. What consideration did Abraham give to Isaac as he held his dagger to his son's throat? From Isaac's perspective his father was immoral, willing to murder him to prove himself to his deity. Imagine if Isaac had worshiped a different God from Abraham. He would regard Abraham's God as the anti-God, the Devil. The moral con is the biggest con of all. It has been inflicted on the world by the priest caste, the kingly caste and the super rich elite to stop the people from accepting reason and logic as the means to organize and optimize society. The world rulers have plenty of use for billions of abject slaves on their knees praying to fictitious invisible gods and no use for billions of rational and logical men and women who can see through every lie. The elite tell them to exploit them. Reason and logic are the means to achieve

human liberation That s why the elite have ensured that reason and logic are never taught and everyone is instead subjected to insane religious faith and mysticism Free yourself Embrace reason and logic Sapere aude
