[Ghast Explores the Overworld Trilogy \(an Unofficial Minecraft Book for Kids Ages 9 - 12 \(Preteen\) Mark Mulle, 2017-02-20 GENRE Children's Adventure An Unofficial Minecraft Book for Kids Ages 9-12 Preteen Book 1 Life in the Overworld My name is General Ghast I worked my hardest to become the leader of the Nether army so I could lead my great nation to victory against the Overworld army Now that I've won the war my government gets to take some of the resources from the Nether The only problem is that mobs from the Nether don't spend a lot of time in the Overworld so we actually have no idea of what we should take That's why it is my job to explore the Overworld and find out what is worth taking and what we should leave to the humans and other mobs that live here Sadly the government doesn't exactly trust me to do this alone so they're making me team up with a puny human girl I have a feeling this trip around the Overworld isn't going to be what I expected Book 2 A Secret Mission My name is Ghast but I used to be General Ghast Now I am unsure of whether I am a general or not but I am sure that I am an adventurer I have recently come back from a tour of the Overworld with my new friend the human woman Chloe I went on my journey because I recently helped the Nether to win a war against the](#)

Overworld I may have done some less than honorable things to win the war but that's a story for another diary. Now that we have won the Nether has earned all of the resources they want from the Overworld. On my trip around these strange lands I went through many biomes but I did not find many resources that the Nether would actually find useful. I wrote my report and now I am waiting to hear back from the leader of the Nether herself. My journey was great but I can't help but have a bad feeling that something awful is going to come out of all of this. Book 3 Ghast to Nether and Back. My name is Ghast and I've recently gotten a distressing message from none other than the Leader of the Nether herself. She is coming to see me and right in the middle of a mission that she told me to go on I may have been sabotaging the mission a little but I did find some diamonds so she could be coming here for either reason. I can't help but worry that she is coming about the sabotaging thing. I just hope I am wrong. If I am not wrong I don't even want to think about what could happen to me. Maybe my friends could help me out. Maybe I would have to go back to the Nether. Maybe who knows what else. Diary if you can wish me some luck I need it now more than ever. Author's Note: This short story is for your reading pleasure. The characters in this Minecraft Adventure Series such as Steve, Endermen, Creeper, or Herobrine etc are based on the Minecraft Game coming from Minecraft. R. TM. c. 2009-2013 Mojang Notch.
