Marketing Analysis in Sport Business Kevin K. Byon, Brian H. Yim, James J. Zhang, 2022-07-15 This book explores sport marketing analytics, an essential and crucially important aspect of contemporary sport business. Successful sport marketing begins and ends with the consumer, so understanding the consumer experience is critical. Marketing Analysis in Sport Business demonstrates how rigorous analytical procedures are the key to developing effective evidence-based marketing practices that reflect real consumer needs. Presenting cutting-edge case studies of sport marketing analytics in action, the book explores topics such as digital communications, social media, digital ticketing, event marketing, the economic impact of COVID-19, developing sport brands, and conducting research with athletes and event participants. Written by a team of authors from 15 countries including Australia, China, France, Iran, Italy, Japan, Mexico, New Zealand, Serbia, South Korea, Spain, Taiwan, the United Kingdom, the United States, and Venezuela, the book offers insight from a variety of cultural contexts and new perspectives on the global sport industry. Marketing Analysis in Sport Business is illuminating reading for any advanced student, researcher, or professional working in sport business and management, sport development, marketing, strategic management, or international business. *The Times-picayune Index*, 2001 *Federal Times*, 1973-03 **Radio**

Advertising Source, 2001 The Business of Sports Mark Conrad, 2017-02-17 The Business of Sports provides a comprehensive foundation of the economic, organizational, legal, and political components of the sports industry. Geared for journalism, communication, and business students, but also an excellent resource for those working in sports, this text introduces readers to the ever-increasing complexity of an industry that is in constant flux. Now in its third edition, the volume continues to offer a wealth of statistics and case studies up to date with the newest developments in sports business and focused on cutting-edge issues and topics, including the many changes in international sports and the role of analytics in
